As Lord Mayor of Cork I am delighted to have the opportunity to provide the foreword for the 2010 annual report. On my election last June I gave an undertaking to the people of Cork that I would devote 100% of my energy in promoting Cork not only as the second city in the country but also the capital of the South West Region. Central to all this is the further development of the Docklands and in this regard we have had ongoing discussions with public representatives and landowners to try and progress this further and also to provide funding for the Eastern Gate Bridge.

This year marked the 90th Anniversary of the deaths of Tomás Mac Curtain and Terence MacSwiney. There was an exhibition held in the City Hall, and also a number of talks given on the contribution that both men made to Irish History. We also remembered the Burning of Cork and in particular the burning of the Carnegie Library, which was marked by a parade led by the Army Band walking from the City Hall carrying books to the Library on the Grand Parade.

2010 was also a year of festivals in the City, both heritage and cultural. We also marked the 100th anniversary of the birth of Aloys Fleischmann, and of course Cork Winning the All Ireland Senior Football Final after 20 years.

As in the previous year we again had to call on the resilience of the people of Cork, the Emergency Services, Gardaí, the Army and Community Groups across the city to respond to the unprecedented cold spell which hit the city in December.

I am confident in the ability of Cork City Council to meet the challenges of the future and I look forward to working with my colleagues on Cork City Council along with the officials of Cork City Council to shape these.

Finally I would like to express my appreciation to my fellow councillors for their hard work and enthusiasm and to the City Manager and employees for their dedication and effort without which many achievements in the city could not have occurred during the year.

Cllr Michael O'Connell
Lord Mayor of Cork

Mar Ardmhéara Chorcaí tá an-áthas orm an deis a ghlacadh an réamhfhocal a sholáthar do thuarascáil bhliantúil 2010. Nuair a toghadh mé i mí an Mheithimh seo caite thug mé gealltanas do mhuintir Chorcaí go gcaithfinn 100% de mo chuid fuinnimh ar Chorcaigh a chur chun cinn ní hamháin mar an dara Cathair sa tír ach mar phríomhchathair Réigiún an Iardheiscirt freisin. Gné lárnach den obair sin is ea forbairt bhreise na nDuganna agus bhí plé leanúnach ar siúl againn le hionadaithe poiblí agus le húinéirí talún maidir leis sin chun iarracht a dhéanamh an fhorbairt sin a chur chun cinn agus chun maoiniú a sholáthar le haghaidh Dhroichead an Gheata Thoir freisin.

I mbliana, ceiliúradh cothrom 90ú bliain bhásanna Thomáis Mhic Curtáin agus Thraolaigh Mhic Shuibhne. Tionóladh taispeántais i Halla na Cathrach, chomh maith le roinnt cainteanna ar an gcion a rinne an bheirt fhear ar son stair na hÉireann. Rinneamar cuimhneachán ar Loscadh Chorcaí freisin agus go háirithe ar loscadh Leabharlann Carnegie, a comóradh le mórshiúil á threorú ag Banna Ceoil an Airm agus iad ag siúl ó Halla na Cathrach chuig an Leabharlann ar Shráid an Chapaill Bhuí agus leabhair á n-iompar acu.

Ba bhliain na bhféilte 2010 freisin i gCorcaigh, idir oidhreacht agus chultúr. Rinneamar ceiliúradh ar chothrom 100ú bliain lá breithe Aloys Fleischmann freisin, agus ar bhua Chorcaí i gCluiche Ceannais Peile na hÉireann tar éis 20 bliain.

De réir mar a tharla an bhliain roimhe bhí orainn a bheith ag brath ar mhuintir Chorcaí, ar na Seirbhísí Éigeandála, ar an nGarda Síochána, ar an Arm agus ar Ghrúpaí Pobail ar fud na cathrach chun freagairt don tréimhse fhuar gan fasach a raibh an chathair thíos léi i Mí na Nollag.

Tá mé muiníneach go bhfuil Comhairle Cathrach Chorcaí in ann freagairt do dhúshláin na todhchaí agus tá mé ag tnúth le hoibriú le mo chomhghleacaithe ar Chomhairle Cathrach Chorcaí in éineacht le hOifig Chomhairle Cathrach Chorcaí chun na dúshláin seo a mhúnlú.

Mar fhocal scoir, ba mhaith liom buíochas a ghabháil leis na comhairleoirí uile as an obair chrua a dhéanann siad agus as a ndíograis agus le Bainisteoir agus fostaithe na Cathrach as a dtiomantas agus as a n-iarrachtaí mar ní bhainfeadh an chathair amach an oiread céanna i rith na bliana dá n-uireasa.

An Comhairleoir Mícheál Ó Conaill
Ardmhéara Chorcaí

2010 was a challenging year for the city in light of the ongoing economic downturn and uncertainty. The Council continues to strive to provide a comprehensive range of services to the city with a reduced workforce without raising charges in a way that would stifle business activity and growth.

The City Council, as one of the biggest employers in Cork City, and as a public service delivery agency plays a significant role in facilitating initiatives aimed at increasing the attractiveness of the city for economic activity. In this regard, in December 2010 when adopting the 2011 Budget, provision was made for the first time for an economic development fund equivalent to 1% of total rates income or €651,000 for initiatives to facilitate the city economy.

This fund, going forward, will provide the opportunity for developing niche initiatives for the city region aimed at building on its importance to the Irish economy and identifying its unique strengths and competitive advantages as a business location. This will build on the significant work already progressed by the Council particularly in areas such as the energy innovation field and telecommunications. Initiatives will be developed as part of the CASP structures, ensuring that the impact of the city, as the economic driver of the region will be maximized.

Cork City Council continues to promote Cork as a festival city and this year saw the arrival in Cork of the penultimate stage of the Clipper Round the World race to the heart of the city attracting crowds of over 30,000 people and bringing tangible economic benefits with it. The award-winning Christmas at Grand Parade continued to attract visitors and shoppers alike to the city centre over the weekends preceding the Christmas festivities.

The year was unfortunately bookended by weather emergencies with which the Council coped admirably and the people of Cork endured bravely. I would like to take this opportunity to thank the citizens of Cork for their forbearance during that time and to thank the Emergency Services for their energy and dedication in ensuring disruption was kept to a minimum.

In conclusion I would like to thank the Lord Mayor and City Councillors for their support during the year and to thank all City Council employees for their ongoing commitment to maintaining quality services to the public in spite of reduced numbers and financial resources.

Tim Lucey
City Manager

Ba bhliain dhúshlánach 2010 don chathair ag féachaint don chor chun donais geilleagrach leanúnach agus don neamhchinnteacht a bhaineann leis. Leanann an Chomhairle uirthi a seacht ndícheall a dhéanamh chun raon cuimsitheach seirbhísí a sholáthar don chathair le fórsa saothair laghdaithe, gan táillí a ardú ar bhealach ina ndéanfaí gníomhaíocht gnó agus fás a mhúchadh.

Tá ról suntasach ag an gComhairle Cathrach, mar cheann de na fostaithe is mó i gCathair Chorcaí, agus mar ghníomhaireacht seachadta um sheirbhísí poiblí, maidir le tionscnaimh a éascú a bhfuil mar aidhm acu tarraingteacht na cathrach a mhéadú i dtaca le gníomhaíocht gheilleagrach. Maidir leis seo, nuair a glacadh leis an mbuiséad do 2011 i Mí na Nollag 2010, rinneadh soláthar den chéadair do chiste forbartha geilleagraí, comhionann le 1% den ioncam iomlán ó rátaí nó €651,000, do thionscnaimh chun geilleagar na cathrach a éascú.

As seo amach, soláthrófar deis tríd an gciste seo tionscnaimh nideoige a fhorbairt do Réigiún na Cathrach a bheidh dírithe ar fhorbairt a dhéanamh ar an tábhacht a bhaineann leis ó thaobh Gheilleagar na hÉireann agus ar a láidreachtaí uathúla agus a buntáistí iomaíocha mar láthair ghnó a shainaithint. Cuirfidh an méid sin leis an obair shuntasach atá déanta ag an gComhairle cheana féin go háirithe i réimsí amhail nuáil fuinnimh agus teileachumarsáidí. Déanfar tionscnaimh a fhorbairt mar chuid de struchtúir Phlean Straitéiseach Cheantar Chorcaí (CASP), lena gcinnteofar go ndéanfar iarmhairt na cathrach, mar ghníomhaí spreagtha geilleagrach an réigiúin, a uasmhéadú.

Leanann Comhairle Cathrach Chorcaí de Chorcaigh a chur chun cinn mar chathair na bhféilte agus i mbliana chonacthas céim leathdheireanach de rása na gClipéar Timpeall an Domhain ag teacht chun croílár Chathair Chorcaí. Tarraingíodh sluaite in a raibh níos mó ná 30,000 duine chuig an imeacht a raibh tairbhí suntasacha geilleagracha ag baint leis. Lean An Nollaig ar Sráid an Chapail Bhuí, a bhfuil duaiseanna buaite aige, de chuairteoirí agus siopadóirí a tharraingt chuig lár na cathrach thar gach deireadh seachtaine roimh fhéile na Nollag.

De mhí-ádh bhí éigeandálaí drochaimsire ag tús agus ag deireadh na bliana araon agus phléigh an Chomhairle leo ar bhealach inmholta agus chuir muintir Chorcaí suas leo go calma. Ba mhaith liom an deis seo a ghlacadh mo bhuíochas a ghabháil le saoránaigh Chorcaí as a bhfoighne le linn na tréimhse sin agus ba mhaith liom mo bhuíochas a ghabháil leis na Seirbhísí Éigeandála as a bhfuinneamh agus a dtiomantas chun a chinntiú nár cuireadh isteach go mór ar dhaoine. Mar fhocal scoir, ba mhaith liom mo bhuíochas a ghabháil leis an Ardmhéara agus le comhairleoirí na cathrach as a dtacaíocht le linn na bliana agus ba mhaith liom mo bhuíochas a ghabháil le fostaithe uile na Comhairle Cathrach as a dtiomantas leanúnach do sheirbhísí ardchaighdeán a sholáthar don phobal d'ainneoin líon foirne agus acmhainní airgeadais a bheith laghdaithe.

City Architect's Department

Roinn Ailtire na Cathrach

Baile Beag Community Childcare (Crèche at Ardbhaile, Mayfield)

On this project the City Architect's Department worked collectively with the Housing and Community Directorate, Cork City Childcare, Cork City Partnership and FÁS.

This Crèche facility is located in the Community Centre in Ardbhaile, Mayfield. The space for this much needed service was made available by the Housing and Community Directorate and the project was funded by Pobal.

A large meeting room and store area etc, with access to an external yard were re-designed to accommodate the brief provided. The level and quality of childcare provision in the area for one to three year old children required upgrading as determined by a needs analysis carried out by the interim committee of Baile Beag Community Childcare.

With limited funding available, it was very important that the best possible usage of the space provided was achieved, while still adhering to Preschool Regulations and Building and Safety Regulations. It opened for service in September 2010 and is functioning extremely well.

The fact that this meeting room was made available for a crèche conversion, a fundamental community facility has been made possible and the following services are now available in the area:

- The primary service for children is a daily group service for twelve children aged one to three from 9:00 am to 2:00 pm which addresses each child's holistic developmental needs. The service uses a Quality Early Years Programme that meets the requirements of Aistear, the Early Years Curriculum and Síolta, the National Quality Framework for Early Years.
- A service for parents, in partnership with NYP Mayfield, will provide support for the parents of the children attending the crèche. It will consist of both individual and group work as appropriate in developing parenting skills, and addressing some wider issues impacting on parenting capacity in order to support the development of the child.

Baile Beag Community Childcare Ltd. is managed by a committee that includes Cork City Council, Cork City Partnership, Cork City Childcare, FÁS, NYP, Community Garda representation and is supported by consultation with Barnardos. The Mercy Order, with an existing presence in the area, also supports the project.

Through funding from FÁS and Cork City Council (Community and Enterprise Directorate), a safety fence, canopy and a landscaped play area at the rear of the building are scheduled for completion by August 2011.

This project is the product of good teamwork where there was the enthusiasm and interest in fulfilling an essential requirement in the community.

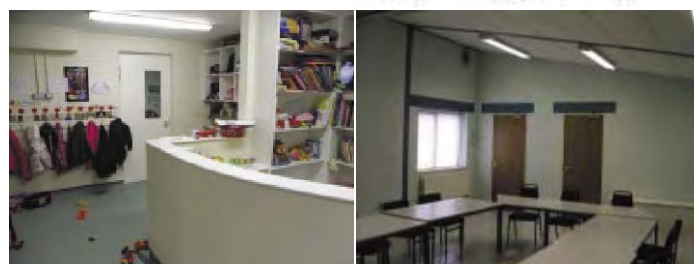

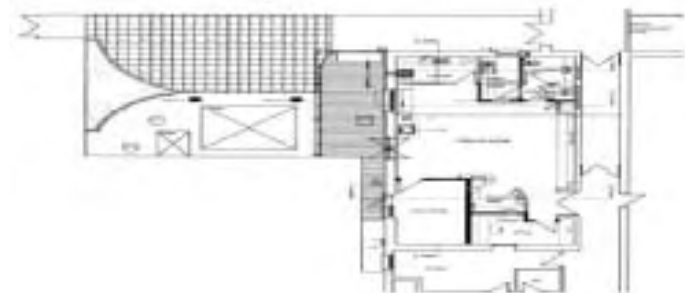

Cúram Leanaí Pobail Bhaile Beag (Naíolann ag Ardbhaile, Baile na mBocht)

Ar an tionscadal seo d'oibrigh Roinn Ailtire na Cathrach in éineacht leis an Stiúrthóireacht Tithíochta agus Pobail, Cork City Childcare, Comhpháirtíocht Chathair Chorcaí agus FÁS.

Tá an tsaoráid naíolainne seo suite san Ionad Pobail san Ard Bhaile, Baile na mBocht. Chuir an Stiúrthóireacht Tithíochta agus Pobail an spás ar fáil don tionscadal seo lena bhfuil géarghá agus mhaoinigh Pobal an tionscadal.

Rinneadh seomra cruinnithe mór agus láthair stórála, srl, le rochtain ar chlós lasmuigh, a athdhearadh chun na treoracha ar tugadh dóibh a chomhlíonadh. Theastaigh feabhsú ar leibhéal agus ar chaighdeán an tsoláthair um chúram leanaí sa cheantar do leanaí ó aon bhliain go trí bliana d'aois de réir mar a socraíodh ó anailís ar riachtanais a rinne coiste eatramhach Baile Beag Community Childcare.

Toisc nach raibh ach maoiniú teoranta ar fáil, bhí sé tábhachtach go bhfuarthas an úsáid is fearr agus is féidir as an spás a soláthraíodh, agus Rialacháin Réamhscoile agus Rialacháin Foirgníochta agus Sábháilteachta á gcomhlíonadh san am céanna. Osclaíodh an tsaoráid le haghaidh seirbhíse i Meán Fómhair 2010 agus tá ag éirí go geal léi.

Ós rud é gur cuireadh an seomra cruinnithe seo ar fáil d'athchóiriú naíolainne, soláthraíodh saoráid phobail bhunúsach agus tá na seirbhísí a leanas ar fáil anois sa cheantar:

- Is í an tseirbhís phríomhúil do leanaí seirbhís ghrúpa laethúil é do dhá leanbh déag ó aon bhliain go trí bliana d'aois ó 9:00 r.n. go 2:00 i.n. lena dtugtar faoi riachtanais forbartha iomlánaíocha gach linbh. Baineann an tseirbhís úsáid as Clár Ardchaighdeán na Luathbhlianta lena gcomhlíontar riachtanais Aistear, Curaclam na Luathbhlianta agus Síolta, an Chreatlach Náisiúnta Cáilíochta le haghaidh na Luathbhlianta.
- Soláthrófar tacaíocht do thuismitheoirí na leanaí atá ag freastal ar an naíolann trí sheirbhís do thuismitheoirí, i gcomhpháirtíocht le NYP Bhaile na mBocht. Cuimseofar obair aonair agus obair i ngrúpaí de réir mar is iomchuí chun scileanna tuistithe a fhorbairt, agus tabharfar faoi roinnt saincheisteanna níos leithne ag a bhfuil iarmhairt ar chumas tuistithe d'fhonn tacú le forbairt an linbh.

Tá Baile Beag Community Childcare á bhainistiú ag coiste lena n-áirítear Comhairle Cathrach Chorcaí, Comhpháirtíocht Chathair Chorcaí, Cork City Childcare, FÁS, NYP, ionadaíocht ó na Gardaí Pobail agus tugtar tacaíocht leis trí dhul i gcomhairle le Barnados. Tugann Ord na Trócaire, atá lonnaithe sa cheantar cheana féin, tacaíocht don tionscadal freisin.

Trí mhaoiniú ó FÁS agus ó Chomhairle Cathrach Chorcaí (An Stiúrthóireacht Pobail agus Fiontar), tá fáil sábháilteachta, ceannbhrat agus láthair súgartha tírdhreachaithe taobh thiar den fhoirgneamh beartaithe a bheith críochnaithe faoi Lúnasa 2011. Is toradh an tionscadal seo ar obair bhuíne mhaith nuair a bhí díograis agus spéis ann chun bunriachtanas an phobail a sholáthar.

City Courthouse and Cork Public Museum in Fitzgeralds Park

Following the flooding that occurred in November 2009, City Architects were called in to assess the extent of damage caused to both Cork City and County Courthouse in Washington Street and Cork Public Museum in Fitzgerald's Park and to oversee repair works. The Courthouse was extensively refurbished in 2004 when it was necessary to lower the ground floor level of the building to make it universally accessible, with new entrances formed to both sides of the central portico and steps.

The floodwaters caused extensive damage to floors, walls & furniture throughout the lower ground floor level. Water seeped in around external doors, collecting in the prisoner transfer tunnel (this links the remand areas under the courtrooms), which acted like a sump, fortunately keeping the flood level in the building lower than it could have been.

A critical element of the works included vital flood protection measures, to ensure that the building is suitably prepared should floodwaters ever return.

The Public Museum in Fitzgerald's Park was similarly damaged by floodwater, with all the mosaic and timber floors, walls and skirtings affected. Luckily, very few exhibits were damaged as the elevated position of the building in the park meant that the extent of flooding within the building only reached a few inches in depth.

The drying out process in both buildings continued over several months and had to be very carefully managed, to avoid causing further damage, particularly to historic furniture and joinery.

Teach Cúirte na Cathrach agus Músaem Poiblí Chorcaí i bPáirc Mhic Gearailt

Tar éis na dtuile a tharla i Samhain 2009, iarradh ar Ailtirí na Cathrach measúnú a dhéanamh ar mhéid an damáiste a rinneadh do Theach Cúirte Chathair & Chontae Chorcaí i Sráid Washington agus do Mhúsaem Poiblí Chorcaí i bPáirc Mhic Gearailt araon agus chun maoirseacht a dhéanamh ar oibreacha deisiúcháin.

Rinneadh an Teach Cúirte a athchóiriú go fairsing i 2004 nuair a bhí sé riachtanach leibhéal bunurláir an fhoirgnimh a íslíú chun rochtain uilíoch a sholáthar air, agus bealaí isteach nua á gcruthú ar dhá thaobh na póirseáide láir agus na gcéimeanna.

De bharr na dtuile, rinneadh damáiste fairsing do na hurláir, ballaí & troscán ar fud leibhéal an bhunurláir íochtaraigh. D'úscaid uisce isteach timpeall ar na doirse seachtracha, agus é ag bailiú i dtollán aistrithe na bpríosúnach (lena nasctar na limistéir athchuir faoi sheomraí na cúirte), a ghníomhaigh mar shumpa, rud a choinnigh leibhéal na dtuile san fhoirgneamh níos ísle na mar a d'fhéadfadh sé a bheith.

Ghné chriticiúil de na hoibreacha ba ea bearta ríthábhachtacha um chosaint ar thuile, chun a chinntiú go mbeadh an foirgneamh ullmhaithe i gceart dá mbeadh tuile ann arís.

Mar an gcéanna, rinneadh damáiste de bharr na dtuile don Mhúsaem Poiblí i bPáirc Mhic Gearailt, go mór mór do na hurláir mhósáiceacha agus adhmaid, do na ballaí agus do na cláir sciorta.

Ar an dea-uair, ní dhearnadh damáiste do mhórán de na taispeántáin, ós rud é nár bhain leibhéal na dtuile laistigh den fhoirgneamh ach cúpla orlach ar doimhneacht mar gheall ar shuíomh ardaithe an fhoirgnimh sa pháirc.

Leanadh leis an bpróiseas triomaithe sa dá fhoirgneamh thar roinnt míonna agus bhí gá le bainistíocht chúramach air, chun a thuilleadh damáiste a sheachaint, go háirithe do throscán agus do shiúinéireacht stairiúil.

Cork Clipper Festival

The Clipper Round the World Yacht Race is the brainchild of legendary sailor, Sir Robin Knox-Johnson, the first man to sail alone and non-stop around the world. Clipper Round the World Yacht Race is the only global event raced by people from all walks of life; anyone can take part and no experience is necessary.

In 2010 the Race consisted of a 10 month long 34,000 mile course that started from England to France before crossing to Brazil, South Africa, Australia, Singapore, China, California, Panama, Jamaica, New York, Cape Breton Island and arriving in Kinsale and Cork in July 2010. On Wednesday 9th July the fleet moved to Cork City Marina at the Port of Cork. The festivities in Kinsale and Cork consisted of 50 market stalls, free events and over 200 live performers with something to suit all ages and tastes.

Cork City Council funded the Festival which ran from Wednesday 9th July to Friday 11th July. Upwards of 10,000 people turned out on a beautiful Wednesday evening to welcome the colourful fleet to the new Cork Marina provided by the Port of Cork. A local organising committee led by the City Council and chaired by the Director of Community & Enterprise, Jim O'Donovan, employed personnel to organise festivities and handle all the logistics of Safety Plans, Traffic Management and performers including Crystal Swing who confirmed their popularity by drawing a big crowd on a damp Thursday evening.

The Cork Clipper project was funded by Fáilte Ireland, Cork City Council and Cork County Council with the principal objective of promoting Cork as a tourism and business destination around the world.

RAPID

(Regenerating Areas through Planning, Investment and Development)

The City Council employs RAPID Coordinators who work with Area Implementation Teams and promote inter-agency work. RAPID is made up of a range of agencies and representatives of local communities. Through RAPID the City Council has been very active in supporting various projects including M.U.G.A.S, Community Safety Forums and environmental improvements.

“Communities in Focus”, a publication launched in late 2010, is a first for Cork’s RAPID areas and acknowledges and celebrates the contribution of those agencies, individuals and communities. It is a pictorial celebration featuring projects under the seven themes.

Féile na gClipéar i gCorcaigh

Ba é an mairnéalach cáiliúil, an Ridire Robin Knox-Johnson, an chéad fhear a sheol timpeall an domhain ina aonar agus gan stad, a smaoinigh ar Rás Luamh Timpeall an Domhain na gClipéar a chur ar bun. Is é Rás Luamh Timpeall an Domhain na gClipéar an t-aon imeacht domhanda ina ndéanann daoine ó gach slí bheatha rás i gcoinne a chéile; is féidir le haon duine páirt a ghlacadh ann agus níl aon taithí riachtanach.

I 2010 bhí cúrsa 34,000 míle ar feadh 10 mí sa rás a thosaigh ó Shasana chuig an bhFrainc sular imigh sé thall go dtí an Bhrasáil, an Afraic Theas, an Astráil, Singeapór, an tSín, California, Panama, Iamáice, Nua-Eabhrac, Oileán Rinn na Briotáine agus bhain sé Cionn tSáile agus Corcaigh amach i mí Iúil 2010. Ar an gCéadaoin 9 Iúil bhog an cabhlach chuig Muiríne Chathair Chorcaí ag Port Chorcaí. I measc na siamsaíochta i gCionn tSáile agus i gCorcaigh bhí 50 stalla margaidh, imeachtaí saor in aisce agus níos mó ná 200 taibheoir beo agus rud ann do gach aois agus do gach toighis.

Mhainigh Comhairle Cathrach Chorcaí an fhéile a bhí ar siúl ón gCéadaoin 9ú Iúil go dtí an Aoine 11ú Iúil. Tháinig suas le 10,000 duine amach tráthnóna Céadaoin álainn chun fáilte a chur roimh an gcabhlach ildaite chuig Muiríne Chorcaí nua a sholáthair Port Chorcaí. D'fhostaigh coiste eagrúcháin áitiúil, a bhí faoi stiúir na Comhairle Cathrach agus a raibh Jim O'Donovan, Stiúrthóir Pobail agus Fiontar, ina chathaoirleachair, pearsanra chun siamsaíocht a eagrú agus chun lóistíocht na bPleananna Sábháilteachta, Bainistíocht Tráchtas agus na dtaibheoirí a láimhseáil. I measc na dtaibheoirí bhí Crystal Swing, a mheall slua mhór tráthnóna fliuch ar an Déardaoin rud a chruthaigh go bhfuil an-tóir orthu.

Mhainigh Fáilte Éireann, Comhairle Cathrach Chorcaí agus Comhairle Contae Chorcaí tionscadal Chorcaí na gClipéar ar mhaithe le Corcaigh a chur chun cinn mar cheann scríbe turasóireachta agus gnó timpeall an domhain.

RAPID

(Athbheochan Ceantar trí Phleanáil, Infheistíocht agus Forbairt)

Fostaíonn an Chomhairle Cathrach Comhordaitheoirí RAPID a oibríonn leis na Foirne Feidhmiúcháin Ceantair agus a chuireann an obair idirghníomhaireachta chun cinn. Airítear ar RAPID raon gníomhaireachtaí agus ionadaithe ó na pobail áitiúla. Tríd an gclár RAPID bhí an Chomhairle Cathrach an-ghníomhach maidir le tacú le tionscadail éagsúla idir MUGAS, Fóraim um Shábháilteacht an Phobail agus fheabhsuithe comhshaoil. Is rud nuálach é “Communities in Focus”, foilseachán a seoldadh ag deireadh 2010 do cheantair RAPID Chorcaí agus tá sé beartaithe an cion a dhéanann na gníomhaireachtaí, daoine aonair agus pobail a shainaithint agus a cheiliúradh ann. Is ceiliúradh pictiúrtha é a bhfuil tionscadail faoi gach ceann de na seacht dtéama mar ghnéithe ann.

Sábháilteacht an Phobail agus Comhchoiste Póilíneachta Chathair Chorcaí

Bíonn inní ar go leor pobal faoi cheisteanna a bhaineann le sábháilteacht an phobail, loitiméireacht, mí-ord poiblí, drugaí, ól faoi bhun aoise srl agus bhí siad ina dtéamaí lárnacha den chlár RAPID.

Bunaíodh fóraim um shábháilteacht an phobail i dtosach sna ceithre cheantar RAPID sa chathair agus is é atá iontu ná sraith cruinnithe poiblí ar a bhfuil cathaoirleach neamhspleách, agus Gardaí áitiúla agus oifigigh na Comhairle Cathrach ag freastal orthu.

Déantar ábhair inní a ardú agus a phlé agus déanann aonaid um Shábháilteacht an Phobail de na Gardaí Pobail, Tithíocht na Comhairle Cathrach agus foireann Roinn na bPáirceanna agus na comhordaitheoirí RAPID bearta de bhreis orthu. Nuair is gá iarrtar cúnamh ó ranna eile na Comhairle Cathrach nó ó ghníomhaireachtaí poiblí eile.

Community Safety and the Cork City Joint Policing Committee

The issues of community safety, vandalism, public disorder, drug taking, under-age drinking etc. cause concern in many communities and has been one of the central themes of the RAPID programme. Community safety forums were initially set up in the four RAPID areas in the city and are made up of a series of public meetings with an independent chair, attended by local Gardaí and City Council officials.

Issues of concern are raised and discussed and followed up by the Community Safety units of Community Gardai, City Council Housing and Parks Department staff and the RAPID coordinators. Where necessary other departments of the City Council or other public agencies are asked to assist.

Progress on addressing issues is reported on at subsequent Community Safety Forum meetings. Reports from the community safety forums are given at the meetings of the Joint Policing Committee where issues of a strategic, policy or national concern can be addressed.

In addition various areas of the city have neighbourhood watch groups or other local initiatives.

During 2010 it was decided to set up a District Management Committee for each of the four Garda Districts in the city.

These management Committees will support the work of all the local community initiatives and business interests. An initial meeting of a city centre forum has taken place.

Substantial progress has been made in setting up local community safety forums which enable local people to raise their concerns and have them addressed together with a route through the Joint Policing Committee to raise issues at national level where needed. The Community and Enterprise Directorate has been actively involved in administering the Joint Policing Committee and in supporting the local community projects.

Docklands

Na Duganna

Introduction

The redevelopment of Cork Docklands is a key project for the city and is seen as a key factor in the growth of Metropolitan Cork and the Cork Gateway.

As such the regeneration project is one of the core elements contained in the Cork Area Strategic Plan (C.A.S.P.) and the Cork City Development Plan 2009-2015.

The following key areas formed the main focus of activity by the Docklands Directorate in 2010:

Design of the Public Realm

Landscape Architects and supporting consultants were sought in 2009 for the design of the public realm/public spaces in Docklands. Mitchell & Associates leading a multi disciplinary design team were selected in early 2010 and commenced work on the detailed designs for the full extent of the public realm within the North and South Docks areas including detailed designs of streetscapes, pocket parks, neighbourhood parks and linear parks, plazas, 2.5km of quayside amenity area, water features and cycleways/pedestrian routes. It is intended to complete the design process in early 2011.

Procurement of Consultants for the Design of Marina Park

The procurement process for Landscape Architects and other supporting consultants to design some 30 ha of amenity lands at the Marina was commenced in 2010 with 6 groups of consultants being shortlisted in December of that year. It is intended to interview and complete the procurement process in early 2011. The services required will involve the preparation of a world class design of Marina Park, which involves the consolidation and extension of existing lands surrounding the Atlantic Pond and stretching from Centre Park Road to Blackrock village.

Planning Applications

Significant Dockland's planning applications received in 2010 include:

- A 10 year planning permission for the redevelopment of the Topaz oil storage and distribution facility on Centre Park Road into a significant mixed use scheme to include retail, office, medical and ancillary facilities.
The redevelopment of the site involves the removal of the existing Seveso use which is an important step in the redevelopment process in the South Docks.
- The redevelopment of the former Ford Factory/Marina Commercial Park including the development of in excess of 330,000 sq.m. of floor space with 880 apartments as well as offices, an hotel, the northern section of the planned Centre Park District Centre, various community infrastructure such as a library and a cultural community centre and the redevelopment of the former Tractor Factory as the Ford Experience Visitor Centre.
- The development of an Events Centre to allow for concerts, conferences, sporting and leisure events and trade shows at a site at Navigation House and the adjoining warehouse building at Albert Quay East.

Réamhrá

Príomhthionscadal don chathair is ea athfhorbairt Dhuganna Chorcaí agus is gné lárnach i bhforbairt Chathair agus Thairseach Chorcaí í. Mar sin, tá an tionscadal athnuachana seo ar cheann de na gnéithe lárnacha atá i bPlean Straitéiseach Cheantar Chorcaí (PSCC) agus i bPlean Forbartha Chathair Chorcaí 2009-2015.

Is ar na príomhréimsí seo a leanas a dhírigh Stiúrthóireacht na nDuganna a cuid gníomhaíochta i 2010:

Dearadh an Limistéir Phoiblí

Lorgaíodh Ailtirí Tírdhreacha agus sainchomhairleoirí tacaíochta i 2009 chun spásanna poiblí an limistéir phoiblí sna Duganna a dhearadh. Roghnaíodh Mitchell & Associates agus iad i gceannas ar fhoireann deartha ildisciplíneach go luath i 2010 agus cuireadh tús le dearáí mionsonraithe a tharraingt do gach áit a mbeidh baint ag an bpobal leo i limistéir na nDuganna Thuaidh agus na nDuganna Theas lena n-áirítear dearáí mionsonraithe i leith na ngnéithe seo a leanas; sráid-dreacha, páirceanna beaga, páirceanna comharsanachta agus páirceanna líneacha, pláis, 2.5km de láthair chonláiste cois cé, gnéithe uisce agus rotharbhealaí agus bealaí do choisithe. Tá sé i gceist bailchríoch a chur ar an bpróiseas deartha go luath i 2011.

Sainchomhairleoirí a fháil chun Páirc na Muiríne a dhearadh

Cuireadh tús i Nollaig na bliana 2010 leis an bpróiseas maidir le hAiltirí Tírdhreacha agus sainchomhairleoirí tacaíochta eile a cheapadh chun thart faoi 30 heicteár de thailte conláiste a dhearadh ag an Muiríne, agus cuireadh 6 ghrúpa sainchomhairleoirí ar an ngearrliosta. Tá sé beartaithe iad a chur faoi agallamh agus an próiseas a thabhairt chun críche go luath i 2011.

Ar na seirbhísí a bheidh le soláthar acu beidh dearadh de scoth an domhain a ullmhú i gcomhair

Pháirc an Mhuiríne. Beidh sé riachtanach chuige sin comhdhlúthú a dhéanamh ar na tailte atá thart timpeall ar Linn an Atlantaigh agus síneadh a chur leo ó Bhóthar na Páirce Láir go sráidbhaile na Carraige Duibhe.

Iarratais Phleanála

Ar an hiarratais shuntasacha phleanála a fuarthas maidir leis na Duganna i 2010 bhí:

- Iarratas ar chead pleanála chun athfhorbairt 10 mbliana a dhéanamh ar shaoráid stórála agus dáileacháin ola Topaz ar Bhóthar na Páirce Láir chun scéim shuntasach ilchineálach a dhéanamh de ina mbeadh saoráidí miondíola, oifigí agus míochaine mar aon le saoráidí coimhdeacha. Tá sé i gceist go gcuirfidh an fhorbairt deireadh leis an úsáid Seveso a bhaineann leis an áit faoi láthair agus gur gné thábhachtach de phróiseas forbartha na nDuganna Theas a bheidh ann.
- Tá sé i gceist le hathfhorbairt Pháirc Tráchtála Sheanmhonarca Ford agus na Muiríne go bhforbrófar 330,000 méadar cearnach de spás urláir ina mbeidh 880 árasán chomh maith le hoifigí, óstán, an chuid thuaidh de Lárionad Ceantair na Páirce Láir atá beartaithe, bonneagar pobail de chineálacha éagsúla, mar leabharlann agus ionad pobail cultúrtha agus athfhorbairt Sheanmhonarca na dTarracóirí mar Ionad Cuairteoirí um Eispéireas Ford.
- Forbairt Ionad Imeachtaí le haghaidh ceolchoirmeacha, comhdhálacha, imeachtaí spóirt agus fóillíochta agus seónna trádála ar shuíomh ag Navigation House agus ag an trádstóras taobh leis ar Ché Ailbhe Thoir.

Environment

Comhshaol

Water Services

Increased Water Demand

During the winter months the demand for water increased to exceed capacity due to the extremely cold weather conditions. The cold weather during these periods resulted in substantial water loss from bursts in public mains and in private systems. The problem was made worse by increased private consumption.

It is likely that this was due to consumers running taps in an effort to prevent pipes from freezing. To deal with the increased demand, restrictions were implemented. These restrictions were relaxed when the freezing conditions subsided.

Flood Defence Measures

Additional flood defence measures were undertaken at the Lee Road Water Treatment Plant following the November 2009 flood. These include improved site defences, the installation of new pumping equipment and the raising of electrical and other specialized equipment.

The works were completed in the early months of 2010 and were supported by funds from the Department of the Environment Heritage and Local Government.

Capital Projects

During 2010 the Council also advanced two important capital projects relating to water supply in the City. The first project envisages the actual replacement/ upgrading of the plant itself.

This proposal has been the subject of a flood risk assessment in order to ensure that proposed works would be fully secure in the context of extreme flood events.

The second scheme envisages the establishment of a link between the water supplies from the Lee Road and Inniscarra Water Treatment Plants.

In establishing such a link the areas served by these two major schemes would benefit from additional mains supply back up in the event of any future supply interruptions.

Seirbhísí Uisce

Breis Éilimh ar Uisce

Le linn mhíonna an gheimhridh tháinig mhéadú ar an éileamh ar uisce mar gheall ar an aimsir an-fhuar agus sáraigh an t-éilimh an soláthar. Ba í an aimsir fhuar i rith na dtréimhsí sin ba chúis le caillteanas mór uisce toisc gur phléasc píobáin sa phríomhlíonra agus i gcórais phríobháideacha. Cuireadh go mór leis an bhfadhb nuair a thosaigh daoine príobháideacha ag tomhailt níos mó uisce.

Is dócha gur tharla sé sin toisc gur fhág siad sconnáí oscailte chun nach reofaí an t-uisce ina bpíopaí. Cuireadh srianta i bhfeidhm le déileáil leis an éileamh méadaithe. Cuireadh deireadh leis na srianta sin nuair a bhí an sioc thart.

Bearta Cosanta in aghaidh Tuilte

Cuireadh bearta cosanta breise in aghaidh tuilte i bhfeidhm ag Ionad Cóireála Uisce Bhóthar na Laoi i ndiaidh thuilte na Samhna 2009. Ina measc siúd bhí cosaintí feabhsaithe ar an suíomh, suiteáil trealaimh chaidéalaithe nua agus ardú an trealaimh leictirigh agus an fhearais speisialaithe eile. Críochnaíodh na hoibreacha i míonna luatha na bliana 2010 agus cuireadh cistí ón Roinn Comhshaoil, Oidhreacht agus Rialtais Áitiúil ar fáil don obair.

Tionscadail Chaipitil

Chuir an Chomhairle dhá thionscadal thábhachtacha a bhaineann le soláthar uisce na Cathrach chun cinn i rith 2010 freisin. Is éard atá i gceist leis an gcéad tionscadal ná uasghrádú an ghléasra féin nó gléasra nua a chur ina áit. Rinneadh measúnú ar an togra seo ó thaobh baol tuilte de d'fhonn a chinntiú go mbeadh na hoibreacha beartaithe slán dá mbeadh tuilte an-mhór ar fad ann.

Ba é a bhí i gceist leis an dara scéim ná nasc a chruthú idir soláthairtí uisce ó Bhóthar na Laoi agus Ionaid Chóireála Uisce Inis Cara.

Dá gcuirfí a leithéid de nasc ar fáil rachadh sé chun tairbhe an dá scéim mhóra sin toisc go mbeadh soláthar príomhlíonra sa bhreis ar fáil dá gclisfeadh ar an soláthar aon uair amach anseo.

Oibríochtaí Dramhaíola

Oibríochtaí Dramhaíola:

Cuireadh maoiniú ar fáil do Chumann Chónaitheoirí agus Phobail i gcomhair tionscnamh in aghaidh an bhruscair. Chabhraigh ceannach trealaimh amhail lomairí faiche, ciúmhaisirí, scuaba, srl. leis na cumainn sin chun feabhas a chur ar an gcuma atá ar a gceantair.

Waste Operations

Waste Operations

Funding was provided to community and residents associations for anti litter initiatives. Purchases of equipment such as lawnmowers, strimmers, brushes, etc helped these associations to improve the appearance of their areas.

Bulky Goods Collections

Bulky goods collection from householders took place in each ward during September. Collections were also arranged in conjunction with Knocknaheeny/ Hollyhill Environmental Forum during December.

Waste Collection

A rationalisation in the arrangements for waste collection was completed during the year. This has lead to a reduction in the cost of waste collection.

Waste Management

Landfill Site Kinsale Road

Contract 10 which commenced in June 2010 enables the provision of a specified engineering cap over 90,000 m² of the areas recently landfilled in the active area of the site. The estimated completion date for this contract is October 2011.

Lifetime Lab

The annual water open day was selected in December 2010 as the “best interactive event” from over 1,300 national events ran during National Heritage Week 2010.

Housing and Community

Tithíocht agus Pobal

Cork City Council provides accommodation for different community services throughout the city. Included have been facilities for family support services and childcare provision.

In recent years, family support facilities were provided in Orchard View and Cushing Road. Community childcare buildings were constructed or funded in Lus na Meala, Glenfields, Cushing Road, Ardmore Avenue, and Maglin Grove.

Provision for different age groups in the North Eastern suburbs of the city opened for service in 2010 – Baile Beag Crèche, in Mayfield (See Architects' Section) and Cork Steiner Kindergarten Preschool in The Glen.

Glentrasna – Cork Steiner Kindergarten

In association with the Housing and Community Services Directorate, Cork Steiner Kindergarten Ltd. provide a childcare service at No.1 Glentrasna Drive in the Glen. As a purpose-built childcare facility it was developed under Section 28 of the Planning and Development Act, 2000 and the 2001 Guidelines for Planning Authorities on Childcare Facilities.

City Architects department designed and managed the construction of the facility in consultation with Housing and Community Services Directorate, Cork City Childcare, Cork City Partnership, HSE and Cork Steiner Kindergarten.

The Cork Steiner Waldorf Kindergarten has been in operation since 1996, located temporarily on the Quaker grounds on Summerhill South. Steiner Kindertens provide a homelike atmosphere where young children (generally 3 years to 6 years) take part in a wide range of activities carefully prepared to encourage the development of skills and capacities that establish a sound basis for later learning. Emphasis is on the spoken language and on 'doing' - learning through imitation.

The Letting Conditions as prepared by the Law Agent's Office obliges Cork Steiner Kindergarten Ltd. to provide a childcare service as the need is required for up to 15 children at any session.

Homeless

In 2010, under the Housing (Miscellaneous Provisions) Act, 2009, a Regional Homelessness Consultative Forum was set up for the South West Region which comprises of Cork City Council, Cork County Council, Kerry County Council and the Health Service Executive.

The Regional Forum produced a framework Homelessness Action Plan for the region based on the review of services undertaken by Murtagh & Associates in 2009 and this was adopted by Council in June 2010. This framework plan is now being developed into a Regional Action Plan by the Strategic Management Group of the Forum and this plan will form the basis for service provision in the region for the next three years.

2010 also saw the appointment of a Support Worker to meet the needs of non-Irish Nationals accessing homeless services.

The project came about as a result of research undertaken by Cork City Council on the impact of non-Irish nationals on homeless services in Cork.

This research showed the need for a form of floating support, with the necessary language skills to enable those accessing homeless services to integrate into the community and move out from homeless services.

Cuireann Comhairle Cathrach Chorcaí cóiríocht ar fáil le haghaidh seirbhísí éagsúla pobail ar fud na cathrach. Ina measc siúd bhí Áiseanna chun Seirbhísí um Thacaíocht Teaghlaigh agus Seirbhísí Cúram Leanaí a chur ar fáil.

Tá an plean seo á fhorbairt anois ag Grúpa Bainistíochta Straitéisí an Fhórait mar Phlean Gníomhaíochta Réigiúnach agus cuirfidh sé bunús ar fáil do sholáthar seirbhíse sa réigiún i rith na dtrí bliana atá romhainn.

Lena chois sin ceapadh Oibrí Tacaíochta in 2010 le freastal ar riachtanais na ndaoine sin nach Éireannaigh iad maidir le teacht ar sheirbhísí do dhaoine gan dídean.

This service is based with Threshold Housing and Advice Service and has been providing advice, advocacy and information on housing options, rights and entitlements in a language familiar to the individual including English, Polish, Russian, Slovak, Czech, and German.

The project is being funded by Pobal for an initial two year period following a submission by Cork City Council on behalf of the Homeless Forum.

2010 also saw the implementation of an Inter Agency group to look after the accommodation and support needs of young people between the ages of 18 and 25 years.

The group is chaired by Cork City Council and membership consists of representatives from the Cork Foyer Project, Threshold, Sophia Housing, Wellsprings, Good Shepherd Services, St. Vincent de Paul, Cork Simon Community, Cork Prison, Focus Ireland and the HSE.

In conjunction with the RAS unit in Cork City Council, this group has been successful in providing supports and sourcing accommodation for this group of young people with multiple support needs who would otherwise not have been in a position to move to independent living.

Regeneration

In relation to Regeneration, work on Block D of the Knocknaheeny Regeneration Project and the development of the new Town Centre was completed and officially opened by Minister Michael Finneran on 11th October, 2010. All elements of the community facilities, including the new Area Housing Office are now operational.

Phase III of the Regeneration Scheme has advanced to design stage and construction will commence following the completion of a review of the Knocknaheeny Masterplan which is currently underway.

The second phase of the Glen Regeneration Project has commenced and further blocks of flats were demolished, contributing a significant visual improvement to the area.

The refurbishment of the Sunvalley Drive complex was completed and the Cushing Flat complex was also completed in September 2010. Plans have been brought forward for other remedial and refurbishment improvements to the Council's housing stock.

There were 2 Housing Strategic Policy committee meetings held in 2010. Items which were considered included:

- Draft Anti-Social Behaviour Strategy
- Graffiti Project
- Long Term Leasing Initiatives

Tosaíodh an tionscadal seo de bharr taighde a rinne Comhairle Cathrach Chorcaí faoin tionchar atá ag daoine nach Éireannaigh iad ar sheirbhísí do dhaoine gan dídean i gCorcaigh.

Léirigh an taighde seo gur gá tacaíocht a chur ar fáil cibé áit a mbeadh sé riachtanach, agus go mbeadh na scileanna teanga ar fáil le cabhrú le daoine gan dídean na seirbhísí do dhaoine den sórt sin a rochtain sa chaoi go mbeadh siad in ann a bheith lánpháirteach sa tsochaí agus bogadh amach ó sheirbhísí do dhaoine gan dídean.

Tá an tseirbhís seo bunaithe i Seirbhís Comhairle agus Tithíochta Threshold agus tá comhairle, tacaíocht agus eolas curtha ar fáil aici faoi roghanna, faoi chearta agus faoi theidlíochtaí tithíochta, i dteanga taithí na ndaoine a bhíonn i gceist lena n-áirítear Béarla, Polainnis, Rúisis, Slóvaicis, Seicis, agus Gearmáinis.

Tá an tionscadal á mhaoiniú ag Pobal ar feadh tréimhse tosaigh dhá bhliain de bharr aighneachta a rinne Comhairle Cathrach Chorcaí thar ceann an Fhórait Easpa Dídine.

Lena chois sin cuireadh an grúpa Idirghníomhaireachta chun feidhme i 2010 le breathnú i ndiaidh riachtanais chóiríochta agus tacaíochta daoine óga idir aois 18 agus 25 bliain d'aois.

Tá an grúpa faoi chathaoirleacht Chomhairle Cathrach Chorcaí agus is é atá ann ná ionadaithe ó na grúpaí seo a leanas; Tionscadal Foyer Chorcaí, Threshold, Tithíocht Sophia, Wellsprings, Good Shepherd Services, Cumann Naomh Uinseann de Pól, Clann Shíomóin Chorcaí, Príosún Chorcaí, Focus Ireland agus FSS.

D'éirigh leis an ngrúpa seo i gcomhar le haonad na Scéime um Chóiríocht ar Cíos i Comhairle Cathrach Chorcaí tacaíocht a sholáthar agus cóiríocht a fháil don ghrúpa daoine óga seo a bhfuil riachtanais iomadúla tacaíochta acu agus nach mbeadh sé ar a gcumas bogadh leo go córas neamhspleách maireachtála murach iad.

Athnuachan

Ó thaobh Athnuachana de, cuireadh bailchríoch ar Bhloc D de Thionscadal Athnuachana Chnoc na hAoine agus ar fhorbairt an Lárionaid Bhaile nua agus d'oscail an tAire Michael Finneran é ar an 11 Deireadh Fómhair, 2010. Tá na saoráidí pobail go léir, lena n-áirítear Oifig Tithíochta nua an Cheantair ag feidhmiú anois.

Tá Céim III den Scéim Athnuachana imithe ar aghaidh go céim an deartha agus cuirfear tús leis an obair thógála nuair a bheidh deireadh curtha le hathbhreithniú ar Mháistirphlean Chnoc na hAoine atá ar siúl faoi láthair.

Tá tús curtha leis an dara céim de Thionscadal Athnuachana an Ghleanna. Leagadh tuilleadh bloc árasán, rud a chuir feabhas ar chuma an cheantair.

Cuireadh bailchríoch ar athchóiriú choimpléasc Chéide Ghleann na Gréine agus ar choimpléasc Árasáin an Chúisínigh chomh maith i mí Mheán Fómhair 2010. Tá pleananna tugtha ar aghaidh chun obair athchóirithe agus feabhsuithe eile a dhéanamh ar sholáthar tithíochta na Comhairle.

Reáchtáladh 2 chruinniú de chuid an Choiste um Beartais Straitéiseacha don Tithíocht i 2010. Ar na rudaí a ndearnadh plé orthu bhí:

- An Dréachtstraitéis um Iompar Frithshóisialta
- Tionscadal Graifítí
- Tionscnaimh um Léasú Fadtéarmach

I.S. Operations

During 2010 the Infrastructure Team undertook a comprehensive risk analysis of the threats and vulnerabilities to the City Council data and network. Actions and training were completed to ensure that the security of the systems was to the highest standards.

A significant programme of server virtualisation was continued with over 20 physical servers being replaced. Open Source technologies were introduced for the Firewall Cluster and Spam filtering. An upgrade of the Network Operating System was undertaken raising the functional level of the domain.

The Wireless WAN was also extended and enhanced across the city. A significant number of desktops were replaced under the PC Scheme in both civic offices as well as public and staff machines in the libraries.

New releases of desktop operating systems (Windows 7) and Office Products (MS Office 2007) were introduced as part of this rollout. An enhanced desktop support solution was implemented allowing valuable information and statistics be extracted for review and distribution.

A continuous programme of looking for best value for money and implementing best practice in procurement was sustained during 2010 driving down the cost of goods and services to the IS Department significantly.

This included initiatives in broadband and wireless communication as well as desktop replacement.

Cork City Council Website

Following its re-launch on September 3 2010, the City Council's revamped website (www.corkcity.ie) was shortlisted in 3 categories in the 2011 Ireland eGovernment Awards;

Accessible - Ireland's eGovernment Award

Local - Ireland's eGovernment Award

Project Management - Ireland's eGovernment Award

The potential of the website to fulfil a promotional role for the City was a key driver in its redesign. The website has now been reconfigured to function a lot differently and to fulfil a strategic role in promoting Cork and the Cork Region.

As well as the smart new look, new features have been added to the site including video clips and an Events Carousel. The functionality has been adapted to provide for more efficient sign-posting to other service providers and sites of interest.

The I.S. Department played a key role in the weather emergency over Christmas. The website traffic increased by 300% with an average of 14,500 page views per day between December 27th-29th inclusive. Mapping and networking staff provided vital support roles in the provision of water pipe data and the provision of extra phone lines.

Oibríochtaí Córais Faisnéise

Rinne an Fhoireann Bhonneagair anailís chuimsitheach riosca le linn 2010 ar na bagairtí agus ar na leochaileachtaí a bhain le líonraí agus le sonraí na Comhairle Cathrach. Cuireadh bearta i bhfeidhm agus oiliúint ar fáil lena chinntiú go bhfuil slándáil den chaighdeán is airde ag na gcórais éagsúla.

Leanadh ar aghaidh le clár suntasach fíorúlaithe freastalaithe agus cuireadh 20 freastalaí fíorúil nua in áit na gceann fisciúil a bhí ann. Tugadh isteach teicneolaíochtaí Foinse Oscailte don Bhraisle Firewall agus do Scagadh Turscair. Rinneadh uasghrádú ar Líonra an Chórais Oibriúcháin agus ardaíodh leibhéal feidhme an fhearainn.

Lena chois sin cuireadh síneadh leis an líonra achair fhairsing (WAN) gan sreang ar fud na cathrach agus feabhsaíodh é. Cuireadh líon suntasach ríomhairí deisce ar fáil faoi Scéim na Ríomhairí in áit na seancheann sna hoifigí cathartha, chomh maith le meaisíní nua a sholáthar don phobal agus do bhaill foirne sna leabharlanna.

Tugadh isteach leaganacha nua de chórais oibriúcháin deisce (Windows 7) agus Táirgí Oifige (MS Office 2007) mar chuid den uasghrádú seo. Cuireadh socrú feabhsaithe i gcomhair tacaíocht deisce i bhfeidhm a chuireann ar chumas na n-oibrithe eolas luachmhar agus staitisticí a asbhaint lena n-athbhreithniú agus lena scaipeadh ar dhaoine eile.

Leanadh ar aghaidh i rith 2010 le clár leanúnach maidir leis an luach is fearr ar airgead a lorg agus an cleachtas is fearr a chur i bhfeidhm i ndáil le soláthar. Ba é an toradh a bhí air nár gur brúdh síos costais earraí agus seirbhísí na Rannóige Seirbhísí Faisnéise. Áiríodh orthu sin tionscnaimh i gcumarsáid leathanbhanda agus i gcumarsáid gan sreang chomh maith le ríomhairí nua deisce a fháil.

Suíomh Gréasáin Chomhairle Cathrach Chorcaí

I ndiaidh athsheoladh shuíomh Gréasáin athchóirithe na Comhairle Cathrach (www.corkcity.ie) ar an 3ú Meán Fómhair 2010, cuireadh ar an ngearrliosta é i dtrí chatagóir i gcomhair Dhámhachtainí r-sheirbhísí rialtais na hÉireann 2011;

Bainistíocht Tionscadal - Dámhachtain r-sheirbhísí rialtais na hÉireann

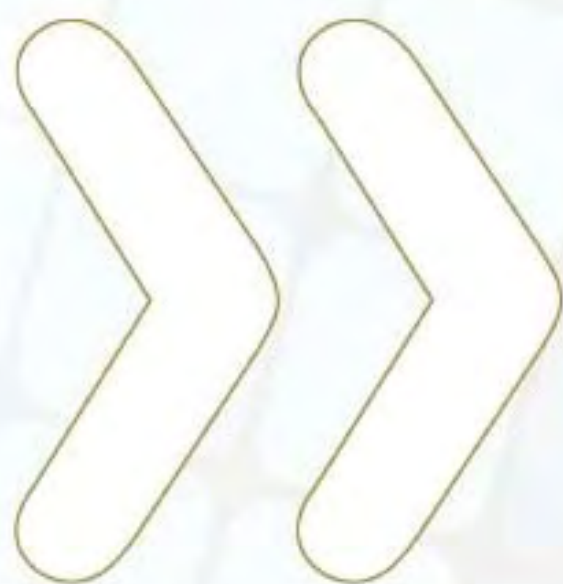

Ceann de na rudaí a spreag an t-athdhearadh ná go mbeadh sé ar chumas an tsuímh Ghréasáin an Chathair a chur chun cinn feasta. Tá athchumrú nua déanta ar an suíomh Gréasáin anois chun go mbeidh ról straitéiseach aige maidir le cur chun cinn Chorcaí agus Réigiún Chorcaí. Ní hamháin go bhfuil cuma chliste nua air ach tá gnéithe nua curtha leis lena n-áirítear gearrthóga físe agus Timpeallán Imeachtaí.

Tá an fheidhmiúlacht curtha in oiriúint chun treoir níos éifeachtúla a sholáthar maidir le soláthraithe seirbhísí agus suíomhanna eile is díol spéise. Bhí ról an-tábhachtach ag Rannóg na Seirbhísí Faisnéise le linn éigeandáil na drochaimsire i rith na Nollag. Tháinig méadú 300% ar an trácht ar an suíomh Gréasáin agus breathnaíodh ar 14,500 leathanach ar an meán in aghaidh an lae idir 27-29 Nollaig (agus an dá lá sin san áireamh).

Chuir an fhoireann mhapála agus líonraithe tacaíocht lánriachtanach ar fáil maidir le sonraí a sholáthar faoi na píopaí uisce agus línte breise teileafóin a sholáthar.

Fás Graduate Work Placement Programme

Cork City Council was the first Local Authority to place Graduates through the Fás Graduate Work Placement Programme. The Work Placement Programme is a Government supported programme that brings employers and the unemployed together for a work experience placement for a duration of nine months.

This programme has been deemed to be a great success mutually benefitting both the participants and the Council. The scheme was introduced in June 2010, and Cork City Council has recruited and is currently giving valuable work experience in relevant fields to 19 qualified Graduates.

The Council is providing placements in the areas of Civil Engineering, Mechanical Engineering, Business Administration, Architecture, Environmental and Civil Technicians, Information Technology, Archaeology and Accountancy. The participants are very positive about the benefits of the Work Placement Programme with Cork City Council.

“The Council is very pleased to participate in the scheme and we all benefit from the inputs of Graduates” said City Manager Tim Lucey.

Welfare & Superannuation

During 2010 a total of 58 employees retired from Cork City Council. The combined service of these 58 employees represents a total contribution of 1,744 years to Cork City Council and the citizens of Cork. A presentation ceremony was held on the 7th December 2010 to acknowledge this contribution and that of all past employees.

The current economic climate has seen an increase in the numbers both actually retiring and considering retirement, a trend which will no doubt continue in 2011 and beyond.

The Council is actively planning to cater for significant staff reductions in the years ahead while ensuring, in so far as it is possible, that services are maintained.

Industrial Relations

The Public Service Agreement (Croke Park Agreement) 2010-2014 was ratified by the Irish Congress of Trade Unions in June 2010. In accordance with Part 5 of the agreement a Sectoral Action Plan for the Local Authority Sector was subsequently developed.

This set out, in broad terms, the template on which local action plans were to be developed. Cork City Council completed its Local Action Plan which is intended to provide a framework for a process of continuous change locally.

During the lifetime of the agreement, specific initiatives which are identified will be progressed to implementation stage in accordance with the provisions laid down in the agreement. Consultation with staff interests will take place in the industrial relations forum.

Details of cost savings occurring on foot of implementation of initiatives will be recorded in the plan.

Clár Socrúchán Oibre FÁS d'Iarchéimithe

Ba é Comhairle Cathrach Chorcaí an chéad Údarás Áitiúil a ghlac Iarchéimithe ar socrúchán trí Chlár Socrúchán Oibre FÁS d'Iarchéimithe. Tugann an Rialtas tacaíocht don Chlár Socrúchán Oibre d'Iarchéimithe de chuid FÁS a thugann fostóirí agus daoine dífhostaithe le chéile le haghaidh socrúchán taithí oibre ar feadh naoi mí.

Meastar gur éirigh thar cionn leis an gclár seo, agus go ndeachaigh sé chun tairbhe na rannpháirtithe agus na Comhairle araon. Tugadh isteach an scéim i mí an Mheithimh 2010, agus d'earcaigh Comhairle Cathrach Chorcaí 19 gCéimí cáilithe agus tá sí ag tabhairt taithí luachmhar oibre dóibh faoi láthair i réimsí ábhartha.

Tá an Chomhairle ag cur socrúchán ar fáil in Innealtóireacht Shibhialta, in Innealtóireacht Mheicniúil, i Riarachán Gnó, in Ailtireacht, i dTeicneolaíocht Faisnéise, i Seandálaíocht agus i gCuntasaíocht mar aon le socrúcháin do Theicneoirí Comhshaoil agus Sibhialta. Molann na rannpháirtithe na buntáistí a bhaineann le Clár Socrúchán Oibre Chomhairle Cathrach Chorcaí.

“Cúis áthais don Chomhairle a bheith rannpháirteach sa scéim agus bainimid go léir leas as obair na gCéimithe” a dúirt Bainisteoir na Cathrach an tUasal Tadhg O Luasa.

Leas & Aoisliúntas

Chuaigh 58 fostaí san iomlán ar scor ó Chomhairle Cathrach Chorcaí i rith 2010. Má dhéantar tréimhsí seirbhíse na bhfostaithe sin a áireamh le chéile is ionann é agus 1,744 bliain a chaitheamh san iomlán ag obair do Chomhairle Cathrach Chorcaí agus ar mhaithe le saoránaigh Chorcaí. Reáchtáladh searmanas bronnta ar an 7 Nollag 2010 chun aitheantas a thabhairt dá bhfuil déanta acu agus ag na hiarfhostaite go léir.

Ós rud é go bhfuil cúrsaí eacnamaíochta mar atá tá méadú tagtha ar líon na ndaoine atá ag dul ar scor nó ag smaoineamh air agus níl aon amhras ná go leanfaidh an treocht sin ar aghaidh i 2011 agus ina dhiaidh sin.

Tá an Chomhairle gnóthach ag pleanáil le déileáil leis na laghduithe suntasacha foirne sna blianta amach romhainn agus le cinntiú, a mhéid is féidir, go leanfar ar aghaidh ag soláthar na seirbhísí atá ann faoi láthair.

Caidreamh Tionsclaíoch

Dhaingnigh Comhdháil na gCeardchumann an Comhaontú Seirbhíse Poiblí (Comhaontú Pháirc an Chrócaigh) 2010-2014 i mí an Mheithimh 2010. I gcomhréir le Cuid 5 den chomhaontú forbraíodh Plean Gníomhaíochta Earnála don Earnáil Údaráis Áitiúil ina dhiaidh sin. Leag sé sin amach, i dtéarmaí ginearálta, an teimpléad ar a bhfuil pleananna gníomhaíochta áitiúla le forbairt.

Chuir Comhairle Cathrach Chorcaí bailchríoch ar a Plean Gníomhaíochta Áitiúil a bhfuil sé d'aidhm aige creat a sholáthar do phróiseas maidir le hathruithe leanúnacha áitiúla.

Le linn shaolré an chomhaontaithe, déanfar tionscnaimh shonracha aitheanta a chur chun cinn go dtí go mbeidh siad ag an gcéim sin ina gcuirfear i bhfeidhm iad i gcomhréir leis na forálacha atá leagtha síos sa chomhaontú. Rachfar i gcomhairle le lucht na foirne fúthu san fhóram um chaidreamh tionsclaíoch.

Déanfar na sonraí a thaifead sa phlean faoi na costais a spárálfar de thoradh chur i bhfeidhm na dtionscnamh.

Planning Policy

Following on from the adoption of a new City Development Plan in 2009, the focus for 2010 was on preparation of Local Plans for particular areas of the city in need of upgrading or which have potential for new development.

Action Plans were completed for the South Parish and Blackpool Village, while preparation of Local Area Plans for North Blackpool and Mahon are well underway and will be well advanced in 2011.

The new South West Regional Planning Guidelines were adopted in July 2010 and will set the framework for future City and County Development Plans.

In relation to heritage, 2010 saw the implementation of a series of projects to promote the heritage of the city, including the very successful Heritage Open Day, a Biodiversity Training Programme for staff, and the grant scheme for heritage organisations.

The architectural conservation grant scheme continued and supported the refurbishment of 17 buildings of heritage significance in the city.

Development Management

The Planning and Development Directorate received 465 planning applications in 2010. Major applications processed during the year included the largest planning application ever received by Cork City Council for a mixed-use scheme and district centre at the Marina Commercial Park. Planning permission was granted for the decommissioning of the Topaz site, Centre Park Road and construction of a new district centre.

A major mixed-use redevelopment of Wilton Shopping Centre which included new retailing, conference centre, cinema, bowling alley, offices, and new urban square was also permitted by the local authority.

Two decisions were taken to grant permission which involved material contraventions of the Development Plan for a mixed-use commercial scheme at Loughmahon and for a community centre for the Cork Muslim Society at Tramore Road.

Significant new developments have taken place in the city centre and other locations arising from recent planning decisions, including the recently completed large-scale retail schemes at St. Patrick Street/Emmet Place, Half Moon Street, and Cornmarket Street which have helped to transform the central city area.

Beartas Pleanála

Glacadh le Plean Forbartha Cathrach nua i 2009, agus leagadh béim dá thoradh sin i 2010 ar ullmhú Pleananna Áitiúla do limistéir áirithe den chathair ar ghá iad a fheabhsú nó a bhfuil acmhainneacht iontu maidir le forbairt nua.

Críochnaíodh Pleananna Gníomhaíochta le haghaidh an Pharóiste Theas agus le haghaidh Shráidbhaile na Linne Duibhe, agus tá an-obair déanta ar Phleananna Limistéir Áitiúil do Thuaisceart na Linne Duibhe agus do Mhachain agus cuirfear chun cinn iad go mór i 2011.

Glacadh leis an leagan nua de Threoirlínte um Pleanáil Réigiúnach an Iardheiscirt i mí Iúil 2010 agus cuirfidh siad creat ar fáil le haghaidh Pleananna Forbartha Cathrach agus Contae amach anseo.

Maidir le cúrsaí Oidhreachta, cuireadh sraith tionscadal i bhfeidhm i 2010 chun Oidhreachta na cathrach a chur chun cinn, lena n-áirítear Lá Oscailte Oidhreachta a raibh an-rath air, Clár Oiliúna Bithéagsúlachta don fhoireann, agus an scéim deontas d'eagraíochtaí Oidhreachta.

Leanadh ar aghaidh leis an scéim deontas um chaomhnú ailtireachta agus cuireadh tacaíocht ar fáil chun 17 bhfoirgneamh sa chathair a athchóiriú a bhfuil tábhacht oidhreachta ag baint leo.

Bainistíocht Forbartha

Seoladh 465 iarratas pleanála chuig an Stiúrthóireacht Pleanála agus Forbartha i 2010. Ar na mór-iarratais a próiseáladh i rith na bliana bhí an t-iarratas pleanála ba mhó a cuireadh faoi bhráid Chomhairle Cathrach Chorcaí riamh.

Ba iarratas é ar scéim ilchineálach agus lárionad ceantair ag Páirc Tráchtála na Muiríne. Tugadh cead pleanála chun suíomh Topaz, Bóthar na Páirce Láir, a dhíchoimisiúnú mar aon le lárionad ceantair nua a thógáil.

Cheadaigh an t-údarás áitiúil athfhorbairt mhór ilchineálach a dhéanamh ar Ionad Siopadóireachta Wilton freisin, lena n-áirítear ionaid miondíola nua, ionad comhdhála, pictiúrlann, cúirt babhlála, oifigí, agus cearnóg nua uirbeach.

Rinneadh dhá chinneadh chun cead a dheonú le haghaidh forbairtí a dhéanadh sárú ábhartha ar an bPlean Forbartha. Bhain siad sin le scéim tráchtála ilchineálach ag Loch Machan agus le hionad pobail do Chumann Moslamach Chorcaí ar Bhóthar na Trá Móire.

Tá forbairtí suntasacha nua déanta i lár na cathrach agus in áiteanna eile de bharr cinntí pleanála a rinneadh le déanaí, lena n-áirítear scéimeanna miondíola mórscála ag Sráid Phádraig/Plás Emmet, Sráid na Leathghealaí, agus ag Sráid Mhargadh an Arbhair. Chuidigh siad seo chun athrú a dhéanamh ar cheantar lár na cathrach.

Start Reading!

Start Reading! was a very exciting programme which took place in autumn 2010, aimed at encouraging children who were starting school for the first time to join their local library and thus become readers from an early age.

Cork City Libraries provided a 'Start Reading!' pack for each individual child in each Junior Infant class in the city. The classes visited their local library to collect the packs, with special reading-focused events scheduled in the city's seven libraries to coincide with class visits.

The pack consisted of a specially designed library bag containing three free age-appropriate books (which the children were able to keep), plus some supporting materials.

The features and benefits of the Start Reading! project include:

- The pleasure for both the adult and child in sharing stories through picture books;
- The anticipation of the story through the illustrations and guessing what is on the next page;
- The importance of repetition and perhaps reading the same book over and over again;
- Encouraging the parents to join the library for the child's sake and make use of the huge array of picture books available.

Rising from the Ashes

Ninety years on from the Burning of Cork in December 1920, the city's Libraries brought this tragic event back into public consciousness through a series of related activities.

On the night of 11th and morning of 12th December 1920 the Carnegie Free Library on Cork's Anglesea Street was destroyed by a fire set by members of the British Crown Forces, along with the adjoining City Hall, and large swathes of the city centre.

The subsequent worldwide outcry was a significant factor in paving the way for Irish independence.

The Libraries commemorated the event with *Rising from the Ashes*: the burning of Cork's Carnegie Library and the rebuilding of its collections, the title of both an exhibition telling the story, and a specially written book by librarian and poet Thomas McCarthy, both of which were launched by Lord Mayor Cllr. Michael O'Connell on 17th November 2010.

The exhibition and book remember not only the destruction of the Carnegie Library, but also the various efforts to rebuild the city and its library, and the generosity and public spirit of the many people who donated books to enable a replacement library open its doors.

On the 90th anniversary itself, the afternoon of Saturday 11th December, Lord Mayor Cllr Michael O'Connell led a procession of more than one hundred library users of all ages from the site of the old to the site of the new library, in a symbolic re-enactment of the rebuilding of the library collections. Each participant carried a book from among those donated from around the world.

Bí ag Léamh!

Clár an-spreagúil ba ea ‘Bí ag Léamh!’ (Start Reading!) a bhí ar siúl i bhfómhar na bliana 2010, agus a raibh sé d’aidhm aige leanaí a bhí ag tosú ar scoil den chéad uair a spreagadh le dul go dtí a leabharlann áitiúil agus a bheith ina léitheoirí óga.

Chuir Leabharlanna Cathrach Chorcaí pacáiste ‘Bí ag Léamh!’ ar fáil do gach leanbh i ngach rang Naíonán Sóisearach sa chathair. Thug na ranganna cuairt ar a leabharlann áitiúil chun na pacáistí a bhailiú, agus reáchtáladh imeachtaí speisialta a bhí dírithe ar an léitheoireacht i seacht leabharlann na cathrach ionas go mbeidís ar siúl an am céanna a thiocfadh na ranganna ar cuairt chucu.

Is éard a bhí sa phacáiste ná mála leabharlainne saor in aisce a bhí deartha go speisialta ina raibh trí leabhar a bhí oiriúnach d’aois na leanaí agus a bhí siad in ann a choimeád, móide roinnt ábhair tacaíochta.

Ar na gnéithe agus na buntáistí a bhain le tionscadal ‘Bí ag Léamh!’ bhí:

- An pléisiúr a bhain daoine fásta agus leanaí araon as na scéalta trí dhul trí na leabhair phictiúr le chéile;
- Breathnú ar na léaráidí agus buille faoi thuairim a dhéanamh cad a bheadh ar an gcéad leathanach eile;
- An tábhacht a bhaineann le rud a dhéanamh athuair agus b’fhéidir an leabhar céanna a léamh arís agus arís eile;
- Spreag sé na tuismitheoirí le clárú sa leabharlann ar mhaithe na leanaí agus leas a bhaint as an lear ollmhór leabhar pictiúr atá ar fáil.

Éirí ón Luathreach

Nócha bliain i ndiaidh loscadh Chorcaí i mí na Nollag 1920, chuir Leabharlanna na cathrach an ócáid thragóideach seo i gcuimhne arís don phobal le sraith gníomhaíochtaí gaolmhara.

Scríosadh Leabharlann Carnegie i Sráid Anglesea Chorcaí i dtine a thosaigh baill d’Fhórsaí Choróin na Breataine. Scríosadh Halla na Cathrach taobh léi, agus sraith mhór de lár na cathrach oíche an 11ú Nollag 1920 agus an mhaidin dar gcionn. Cuidigh an fhearg a bhí ar dhaoine ar fud an domhain dá bharr chun an bealach a réiteach i gcomhair neamhspleáchas na hÉireann.

Rinne na Leabharlanna cuimhneachán ar an ócáid le Rising from the Ashes: the burning of Cork’s Carnegie Library and the rebuilding of its collections. Ba é sin teideal an taispeántais inar insíodh an scéal, agus teideal leabhair a scríobh an leabharlannaí agus Thomas McCarthy, file, go speisialta don ócáid. Ba é an tArdmhéara, an Comhairleoir Mícheál Ó Conaill a sheol an leabhar agus an taispeántas ar an 17ú Samhain 2010.

Ní hamháin gur thug an leabhar agus an taispeántas chun cuimhne scríos Leabharlann Carnegie ach rinne siad cur síos chomh maith ar na hiarrachtaí éagsúla a rinneadh an chathair agus a leabharlann a atógáil agus ar fhlaithiúlacht na ndaoine go léir agus an tuiscint don mhaith choiteann a bhí acu nuair a bhronn siad leabhair chun go bhféadfaí doirse na leabharlainne nua a oscailt.

Cothrom 90ú bliain na tine, tráthnóna Dé Sathairn 11ú Nollag, threoraigh an tArdmhéara, An Comhairleoir Mícheál Ó Conaill, mórshiúl ó shuíomh na seanleabharlainne go suíomh na leabharlainne nua.

This exhibition chronicled the remarkable lives of Aloys Fleischmann Jnr., his family in Cork and Germany, and the family's wide circle of friends, all of them central to the cultural and literary life of Cork in the 20th century, as well as his life's work as educator, composer, and organiser of ventures such as the Cork Symphony Orchestra, the Choral Festival, etc.

Insíodh sa taispeántas seo scéal iontach Aloys Óg Fleischmann agus a mhuintire i gCorcaigh agus sa Ghearmáin, agus scéal a chairde go léir a raibh dlúthbhaint acu le saol cultúrtha agus liteartha Chorcaí sa 20ú haois, chomh maith le scéal a shaoil mar oideachasóir agus mar chumadóir, agus faon gcaoi ar eagraigh sé fiontair mar Cheolfhoireann Shiansach Chorcaí, an Fhéile Chórúil, srl.

Roads and Transportation

Bóithre agus lompár

Transport Planning

The City Council with the support of CASP Transport Stakeholders completed the Public Transport Feasibility Study for the sub region with both the City and County Councils approving the Cork Area Transit Study in 2010.

The main objective of the Study is to identify a public transport system that will meet the travel needs of Cork City and surrounding areas into 2020 and beyond. The main recommendations include a Bus Rapid Transit System in a re-configured bus network.

The City Council made a proposal under the D.O.T. Smarter Travel Programme which supports measures to address current unsustainable transport and travel patterns. The specific output from the proposal when sanctioned will be the implementation of workplace travel plans, encouraging walking and cycle, travel measures for commuter communities, school travel plans and marketing campaigns.

An initiative to develop and manage an integrated transport system for the city region is being advanced by the CASP Transport Stakeholders Group. The outputs of the initiative will be a plan for the management of transport demand and greater efficiency in the management of the road network. A transport model to support transport plans in the sub-region was finalised and management arrangements for the model are now being put in place.

Infrastructure Project

Planning approval was received for the docklands strategic infrastructure in 2010. The supporting compulsory purchase order was confirmed at the same time. The City Council is appointed the executive authority for the construction of interchanges on the Bandon Road and Sarsfield Road Junction on the South Ring Road. Tenders were submitted for the project in November 2010.

The planning process for the eastern section of the North Ring Road is largely completed and when built will form part of the strategic road infrastructure of the city region. Consultants have been appointed for the design of an upgrade to the Dunkettle Interchange.

Other Projects

There is ongoing work on the upgrading of Cornmarket Street, Beasley Street, Ballincollig Green Routes, Farranree and Blackpool green route. The Land Acquisition and design work is nearly completed on the Carrigrohane Park and Ride facility on the Carrigrohane Straight. The City and County Council will have Phase I and II of the Green Routes Programme completed in 2012.

As part of the upgrading of services on the Bus Route Transport Corridor real time passenger information will be made available on this route including the expected arrival times of the next three buses.

SMARTER TRAVEL IN CORK

Pleanáil Iompair

Chuir an Chomhairle Cathrach le tacaíocht ó Pháirtithe Leasmhara Iompair CASP bailchríoch ar an Staidéar Féidearthachta Iompair Phoiblí don fhoréigiún agus d'fhaomh na Comhairlí Cathrach agus Contae araon Staidéar ar Chóras Taistil Cheantar Chorcaí i 2010.

Is é príomhchuspóir an Staidéir ná córas iompair phoiblí a aithint a dhéanfaidh freastal ar riachtanais iompair Chathair Chorcaí agus na gceantar máguaird i 2020 agus ina dhiaidh. Ar na príomh-mholtaí bhí, go gcuirfí Córas Lánaí Gasta ar fáil i líonra bus athchumraithe.

Rinne an Chomhairle Cathrach moladh faoi Chlár Smarter Travel na Roinne Iompair a chuireann tacaíocht ar fáil do bhearta chun aghaidh a thabhairt ar phatrúin iompair agus taistil nach bhfuil inbhuanaithe. Is é an toradh a bheidh ar an togra nuair a cheadófar é ná go gcuirfear i bhfeidhm pleananna taistil don ionad oibre, spreagfar daoine le dul ag siúl agus ag rothaíocht, ceapfar bearta taistil do phobail comaitéirí, ceapfar pleananna maidir le taisteal scoile agus cuirfear feachtais mhargaíochta ar siúl.

Tá tionscnamh chun córas iompair comhtháite á fhorbairt agus a bhainistiú don réigiún cathrach á chur ar aghaidh ag Grúpa Páirtithe Leasmhara Iompair CASP. Is é an toradh a bheidh ar an tionscnamh ná go gceapfar plean chun bainistiú a dhéanamh ar an éileamh ar sheirbhísí iompair agus go ndéanfar an líonra bóithre a bhainistiú níos éifeachtúla.

Cuireadh bailchríoch ar shamhail iompair a thacóidh le pleananna iompair san fhoréigiún agus tá socruithe bainistíochta le haghaidh na samhla á gcur i bhfeidhm anois.

Tionscadal Bonneagair

Cuireadh isteach tairiscintí i gcomhair an tionscadail i mí na Samhna 2010. Tá an próiseas pleanála don chuid thoir den Chuarbhóthar Thuaidh críochnaithe den chuid is mó agus nuair a thógfar an bóthar beidh sé ina chuid den bhonneagar straitéiseach bóithre i réigiún na cathrach. Tá sainchomhairleoirí ceaptha chun dearadh a sholáthar i gcomhair uasghrádaithe ar Acomhail Dhún Citil.

Tá an Ceannach Talún agus an obair dheartha beagnach críochnaithe maidir le háis Páirceála agus Taistil Pháirc Charraig Ruacháin ar Bhóthar Díreach Charraig Ruacháin. Beidh Céim I agus II de Chlár na mBealaí Glasa curtha chun críche i 2012 ag an gComhairle Contae agus Cathrach.

Mar chuid d'uasghrádú na seirbhísí ar an Mórlána Iompair Bus cuirfear faisnéis fhíorama ar fáil do phaisinéirí ar an mbealach seo lena n-áirítear an t-am a mheastar go dtiocfaidh an chéad trí bhus eile.

Annual Progress Report

ENVIRONMENT

Further progress was made in 2010 in the implementation of the Water Services Investment Programme. The following capital projects were advanced: - Lee Road Water Treatment Plant upgrade, Inniscarra-Lee Road interconnector, Rising Mains replacement, Docklands Water Supply Scheme, conservation scheme and low/intermediate reservoirs upgrade.

Progress made during the year in leak detection/water conservation was somewhat undermined by the damage to the network from the harsh weather conditions early and late in the year.

Circa 98% of the charges levied for water services were based on metered use in accordance with the Government's Water Pricing Policy. Receipts for non domestic water supplies declined over the year largely due to reductions in consumption, business closures and prompt attention to customer leaks.

Progress has been made in 2010 in preparing to provide improved and more regular billing for the largest non domestic consumers.

Several improvements were carried out at Lee Road Water Treatment Plant during 2010. Works were carried out to provide improved protection against flooding. Several other measures were carried out to increase energy efficiency and improve water production.

The Cork Main Drainage Scheme ensures that waste water from the City is collected and treated in accordance with the requirements of the Urban Waste Water Directive. In excess of 100,000 cubic metres of waste water are now treated on a daily basis prior to final discharge in the upper harbour. Most of the financial and contractual arrangements in relation to the scheme were completed in 2010.

The Council's refuse service was availed of by over 29,000 domestic and commercial customers. The scale of the Council's refuse operation has reduced

in recent years. This is related to ongoing market fragmentation associated with the increase in the number and scale of private operators. The Council's service has been the subject of ongoing change in line with these developments and the requirements of the local Waste Management Plan and evolving legislation.

In addition to kerbside collections of residual and dry recyclable waste for the domestic and commercial sectors as well as a collection of food waste from the commercial sector the Council also provides a range of further services including bottle banks and civic amenity sites, support for community clean ups, unused medicines take back schemes, waivers for people in need, timber recycling services, composting facilities, free take back of electrical goods, christmas tree take back, education/awareness initiatives etc.

Approx 7,000 tonnes of dry recyclable material was recovered during 2010 and a further 11,500 tonnes of material was diverted from landfill through the Council's waste diversion projects via bring bank network, Civic Amenity Site and timber/green waste recovery facilities.

Landfilling ceased at the Kinsale Road in July 2009 but waste is accepted from the general public in car and trailers at the Civic Amenity Site in Kinsale Road.

A contractor has been appointed to construct an engineered cap over a further 90000m² of the active part of the landfill. This project is estimated for completion in late 2011.

Various contracts have been put in place for the transfer and treatment of the various wastes collected by the Council prior to the disposal of the residual fraction at Cork County Council Landfill at Youghal. The EPA issued a proposed decision in regard to a waste licence review for the Kinsale Road Facilities in December 2010. Some of the conditions are being appealed by the Council.

COMHSHAOL

Rinneadh tuilleadh dul chun cinn i 2010 ar Chlár Infheistíochta na Seirbhísí Uisce a chur i bhfeidhm. Rinneadh dul chun cinn ar na tionscadail chaipitil seo a leanas freisin – uasghrádú ar Ionad Cóireála Uisce Bhóthar na Laoi, Idirnascaire Inis Cara-Bhóthar na Laoi, athsholáthar Príomhlínte Uisce, Scéim Soláthar Uisce na nDuganna, scéim chaomhnaithe agus uasghrádú taiscumar íseal/idirmheánach.

Cuireadh bac ar an dul chun cinn a rinneadh ar bhrath ligean uisce / caomhnú uisce de thoradh an damáiste a rinneadh don líonra mar gheall ar an drochaimsir ag tús agus deireadh na bliana.

Bhí thart ar 98% de na táillí a gearradh le haghaidh seirbhísí uisce bunaithe ar úsáid mhéadraithe de réir Bheartas Praghsála Uisce an Rialtais. Laghdaigh fáлтаis le haghaidh soláthairtí uisce tráchtála le bliain anuas mar gheall ar laghduithe ar thomhaltas, gnóthais ag dúnadh agus déileáil go tapa le ligean uisce na gcustaiméirí.

Tá dul chun cinn déanta i 2010 maidir le billeáil fheabhsaithe agus níos rialta a chur ar fáil do na custaiméirí tráchtála is mó.

Rinneadh roinnt feabhsúchán ar Ionad Cóireála Uisce Bhóthar na Laoi i rith 2010. Rinneadh oibreacha chun cosaint feabhsaithe in aghaidh tuilte a chur ar fáil. Cuireadh roinnt beart eile ar bun chun éifeachtúlacht fuinnimh a mhéadú agus táirgeadh uisce a fheabhsú.

Cinntíonn Príomhscéim Draenála Chorcaí go mbailítear agus go gcoireáiltear fuíolluisce na Cathrach de réir riachtanais na Treorach um Chóireáil Fuíolluisce Uirbhig. Tá breis agus 100,000 méadar ciúbach fuíolluisce á chóireáil go laethúil anois sula ndéantar é a dhoirteadh isteach in uachtar an chuain ar deireadh. Críochnaíodh formhór na socruithe airgeadais agus conartha maidir leis an scéim i 2010.

Bhain os cionn 29,000 custaiméir teaghlaigh agus tráchtála úsáid as seirbhís bhailiú bruscair na Comhairle. Tá laghdú tagtha ar scála scéim bhailiú bruscair na Comhairle le blianta beaga anuas. Baineann sé seo le roinnt leanúnach an mhargaidh atá bunaithe ar mhéadú ar líon agus ar scála na n-oibreoirí príobháideacha. Bhí seirbhís na Comhairle faoi réir athrú leanúnach ar aon dul leis na forbairtí seo, le riachtanais an Phlean Bainistíochta Dramhaíola áitiúil agus le reachtaíocht atá á forbairt i láthair na huaire.

Le cois bruscair tirim in-athchúrsáilte agus iarmharach a bhailiú ag an gcosán do na hearnálacha baile agus tráchtála chomh maith le dramhaíl bia a bhailiú ón earnáil tráchtála, soláthraíonn an Chomhairle seirbhísí eile lena n-áirítear bainc bhuidéal agus ionaid fónas pobail, tacú le glantacháin pobail, scéimeanna ina nglactar ar ais cógais nár úsáideadh, tarscaoileadh do dhaoine i mbaol, seirbhísí athchúrsála adhmaid, áiseanna múirínithe, deis fáil réidh le hearraí leictreacha saor in aisce, deis fáil réidh le Crainn Nollag, tionscnaimh oideachais / feasachta srl.

Bailíodh thart ar 7,000 tona d'ábhar tirim in-athchúrsáilte i rith 2010 agus coimeádadh 11,500 tona breise d'ábhar ó líonadh talún trí thionscadail atreoraithe dramhaíola na Comhairle, is iad sin an gréasán banc 'fág anseo', an tIonad Fónas Pobail agus áiseanna aisghabhála adhmaid /dramhaíola glaise.

Cuireadh deireadh le líonadh talún ag Bóthar Chionn tSáile i mí Iúil 2009 ach glactar le dramhaíl ón bpobal i gcoitinne ó charranna agus leantóirí ag an Ionad Fónas Pobal ar Bhóthar Chionn tSáile.

Tá conraitheoir ceaptha chun athchré shaorga a chur thar 90000m2 breise den chuid den líonadh talún atá in úsáid. Meastar go gcuirfeadh an tionscadal seo i gcrích i ndeireadh 2011.

Tá conarthaí éagsúla curtha i bhfeidhm maidir le haistriú agus cóireáil na ndramhaíolacha éagsúla a bhailíonn an Chomhairle roimh dhiúscairt an chodáin iarmharaigh ag Líonadh Talún Chomhairle Contae Chorcaí ag Eochaill. D'eisigh an Ghníomhaireacht um Chaomhnú Comhshaoil cinneadh atá beartaithe maidir le hathbhreithniú ar cheadúnas dramhaíola le haghaidh Shaoraidí Bhóthar Chionn tSáile i mí na Nollag 2010. Tá achomharc á dhéanamh ag an gComhairle ar roinnt de na coinníollacha.

Thug líon mór cuairteoirí cuairt ar an tSaotharlann Saolré (19,000 duine sa bhliain) chun súil a chaitheamh ar na Cláir agus na hlmeachtaí éagsúla a bhí á soláthar.

Thug an Ghníomhaireacht Fuinnimh go leor cúnamh chun lorg carbóin na Comhairle a laghdú, ó thaobh a riachtanais fuinnimh a bhainistiú agus Straitéis um Athrú Aeráide na Comhairle a fhorbairt, chomh maith le tionscadail chaomhnaithe fuinnimh le tréimhse aisíoca ghairid a aithint agus a éascú le cúnamh deontais ó Údarás Fuinnimh Inmharthana na hÉireann.

The Lifetime Lab staff continued to attract high numbers of visitors (19,000 per annum) for its various Programmes and Events.

The Energy Agency provided valuable assistance in relation to reducing the Councils Carbon Footprint, managing its energy requirements and the development of the Councils Climate Change Strategy as well as identifying and facilitating short payback energy saving projects with grant assistance from SEAI.

The Environmental Laboratory staff based at Kinsale Road carried out statutory monitoring on drinking water, surface water, air as well as landfill parameters to ensure compliance with EPA Waste Licence. The Lab investigated complaints in regard to noise and various types of pollution such as Water/Air /Noise etc.

The DOEHLG funded Waste Enforcement Team operated to an EPA-approved schedule of activity in accordance with Recommended Minimum Criteria for Environmental Inspections (RMCEI) to ensure environmental compliance in regard to over 100 individual pieces of legislation such as the Waste Management and Water Pollution Acts.

These inspections included the investigation of non-routine environmental complaints and scheduled inspections of permitted/licensed sites, facilities and other premises obligated under environmental legislation. Prosecutions were initiated where appropriate. Throughout 2010 the Team also submitted quarterly progress reports to the EPA in respect of their RMCEI Plan objectives and targets.

The Team also assessed environmentally sensitive planning applications and subsequently prepared environmental reports for same, in addition to assessing and issuing permits under various Regulations such as the Solvent Regulations and the Deco Paint Regulations. The Team is involved in External Emergency Planning. In 2010 they successfully co-ordinated a multi-agency External Emergency exercise for the NORA site and prepared a report on the exercise for

circulation to the HSA and all principle response agencies involved. They were also involved in the preparation of the report on the Civic Emergency of November 2009 for submission to the DOEHLG.

Le linn 2010 d'fhógair Comhairle Cathrach Chorcaí Scéim 2011-2014 agus lorg sí aighneachtaí ina leith ón bpobal, agus rinne sí taighde ina heagraíocht féin ag an am céanna ag lorg tiomantas don dara Scéim agus do Scéimeanna ina dhiaidh sin. Cuirfear Scéim 2011-2014 faoi bhráid na Roinne Gnóthaí Pobail, Comhionannais agus Gaeltachta chomh luath is a bheidh sé comhaontaithe agus ceadaithe.

RECREATION, AMENITY AND CULTURE

Blackpool Library opened to the public on 15th April 2010, and was officially opened on the 30th of that month by then Lord Mayor, Cllr Dara Murphy. Blackpool Library is located in rented premises in the precinct of Blackpool Shopping Centre and is more than 1,000 M2 in area. The new Library has already established itself with the local community, and has seen greatly enhanced usage by local children and adults.

The Council approved Part 8 planning permission for the proposed new Hollyhill Library during 2010. This will be a library of 800 M2 in area, and will have a very strong focus on the community in terms of layout, facilities, and stock. The Council subsequently lodged an application for funding for this project with the Department of the Environment, Heritage & Local Government in November 2010.

The Libraries commemorated the Burning of Cork in December 1920 and in particular the destruction of the Carnegie Free Library on Anglesea Street through a series of events in November-December 2010: an exhibition telling the story; a specially written book; a procession of more than one hundred library users of all ages, led by the Lord Mayor, Cllr Michael O'Connell, from the site of the old to the site of the new library, in a symbolic re-enactment of the rebuilding of the library collections.

Among the collections deposited or donated to the Cork City & County Archives in 2010 were major collections such as the 'North Mon' glass plate photographic archive, the manuscript journal of Arthur Browne (b.1743-d1821) Governor of Charles Fort, an account book of the Green Coat Hospital, Shandon, dating from 1789, and 3 manuscript letters from Terence MacSwiney written in 1917-1918 while OC of the Volunteers in Cork. Staff began digitizing indexes to the Corporation/City Council Minute Books, and managed the conservation and repair of all St. Joseph's Cemetery records that were in danger of destruction.

Various capital improvement works were carried out in parks throughout the City, including completion of Fairfield improvement works, further works at the Glen River Amenity Park, opening of St. Anns Park, Shandon, and the Military Cemetery, Assumption Road, commencement of Bridevalley Park works, disability improvement works at Mahon Golf Course, in addition to normal maintenance of parks and public open spaces within the City.

A new Biosecurity Plan was approved by the Marine Institute for the Lough. Planning applications were lodged for the development of pitches at Inchigaggin and Togher. Family Bonfire Night activities were organised in various parks throughout the City on June 23rd, attracting 10,000 people on the night, with further support offered to other community events.

St Patricks Festival attracted attendances of nearly 70,000 in March, with 2000 participants in the parade itself. Culture Night on 25th September saw 60 organisations in the City hosting 28,000 cultural visitors. Christmas on the Grand Parade Festival, organised by City Council, ran for over 15 days on the four weekends coming up to Christmas, attracting 120,000 visitors, despite the bad weather.

The Points of View lecture series organised by the Council, saw five free public talks at which leading European cultural experts focused on some key questions facing the cultural sector today. The City Council funded and programme managed a series of events in celebration of the centenary of the composer Professor Aloys Fleischmann.

PLANNING & DEVELOPMENT

Following on from the adoption of a new City Development Plan in 2009, the focus for 2010 was on preparation of Local Plans for particular areas of the city in need of upgrading or which have potential for new development.

Thosaigh an fhoireann oibre ag déanamh digitíú ar innéacsanna do Leabhair Miontuairiscí na Comhairle Cathrach/na Comhairle, agus bhainistigh siad caomhnú agus deisiú taifid uile Reilig Naomh Seosamh a bhí i mbaol a bheith scriosta.

Rinneadh oibreacha feabhsúcháin chaipitiúla éagsúla i bpáirceanna ar fud na Cathrach, lena n-áirítear cur i gcrích na n-oibreacha feabhsúcháin ag Gort an Aonaigh, oibreacha breise ag Páirc Áineasa Abhainn an Ghleanna, oscailt Pháirc

Naomh Áine, an Seandún, agus an Reilig Mhíleata, Bóthar na Deastógála, tús a chur le hoibreacha Pháirc Ghleann na Bríde, oibreacha feabhsúcháin míchumais ag Galfchúrsa Mhachan, chomh maith le gnáthchothabháil na bpáirceanna agus spásanna oscailte poiblí laistigh den Chathair. Cheadaigh Foras na Mara Plean Bithshlándála nua don Loch. Taisceadh iarratais pleanála chun páirceanna imeartha a fhorbairt ag Inse Gaigín agus an Tóchar. Eagraíodh gníomhaíochtaí Oíche Teaghlaigh na dTinte Cnámh i bpáirceanna éagsúla ar fud na Cathrach ar an 23 Meitheamh a mheall 10,000 duine, agus tairgeadh tacaíocht bhreise d'imeachtaí pobail eile.

D'fhreastail beagnach 70,000 duine ar Fhéile Naomh Pádraig i Márta, agus ghlac 2000 duine páirt sa mhórshuíl féin. Bhí 60 eagraíocht sa Chathair ina n-óstaigh do 28,000 cuairteoir cultúir ar an Oíche Chultúrtha a bhí ar siúl ar an 25 Meán Fómhair. Bhí *Féile na Nollag ar Shráid an Chapail Bhuí*, a d'eagraigh an Chomhairle Cathrach, ar siúl ar feadh níos mó ná 15 lá ar na ceithre dheireadh seachtaine roimh an Nollaig, agus mealladh 120,000 cuairteoir, in ainneoin na drochaimsire.

Bhí cúig léacht phoiblí saor in aisce, inar dhírigh saineolaithe ar chultúr na hEorpa ar chuid de na ceisteanna lárnacha a bhaineann le hearnáil an chultúir sa lá inniu ann, mar chuid den tsraith léachtaí *Point of View* a d'eagraigh an Chomhairle. Rinne an Chomhairle Cathrach maoiniú agus bainistiú cláir ar shraith imeachtaí mar chomóradh céad bliain lá breithe an t-Ollaimh Aloys Fleischmann, cumadóir.

PLEANÁIL AGUS FORBAIRT

Glacadh le Plean Forbartha Cathrach nua i 2009, agus leagadh béim dá thoradh sin i 2010 ar ullmhú Pleananna Áitiúla do limistéir áirithe den chathair ar ghá iad a fheabhsú nó a bhfuil acmhainneacht iontu maidir le forbairt nua.

Críochnaíodh Pleananna Gníomhaíochta le haghaidh an Pharóiste Theas agus le haghaidh Shráidbhaile na Linne Duibhe, agus tá an-obair déanta ar Phleananna Limistéir Áitiúil do Thuaisceart na Linne Duibhe agus do Mhachain agus cuirfear chun cinn iad go mór i 2011.

Glacadh leis an leagan nua de Threoirlínte um Pleanáil Réigiúnach an Iardheiscirt i mí Iúil 2010 agus cuirfidh siad creat ar fáil le haghaidh Pleananna Forbartha Cathrach agus Contae amach anseo.

Action Plans were completed for the South Parish and Blackpool Village, while preparation of Local Area Plans for North Blackpool and Mahon are well underway and will be well advanced in 2011. The new South West Regional Planning Guidelines were adopted in July 2010 and will set the framework for future City and County Development Plans.

In relation to Heritage, 2010 saw the implementation of a series of projects to promote the Heritage of the city, including the very successful Heritage Open Day, a Biodiversity Training Programme for staff, and the grant scheme for Heritage organisations. The architectural conservation grant scheme continued and supported the refurbishment of 17 buildings of heritage significance in the city.

The Planning and Development Directorate received 465 planning applications in 2010. Major applications processed during the year included the largest planning application ever received by Cork City Council for a mixed-use scheme and district centre at the Marina Commercial Park. Planning permission was granted for the decommissioning of the Topaz site, Centre Park Road and construction of a new district centre.

A major mixed-use redevelopment of Wilton Shopping Centre which included new retailing, conference centre, cinema, bowling alley, offices, and new urban square was also permitted by the local authority. Two decisions were taken to grant permission which involved material contraventions of the Development Plan for a mixed-use commercial scheme at Loughmahon and for a community centre for the Cork Muslim Society at Tramore Road.

Significant new developments have taken place in the city centre and other locations arising from recent planning decisions, including the recently completed large-scale retail schemes at St. Patrick Street/Emmet Place, Half Moon Street, and Cornmarket Street which have helped to transform the central city area.

The Development Contribution Scheme, adopted in January 2004, yielded € 2.143m in 2010. These contributions are applied to service current and future development in Cork City and are ring-fenced for capital works.

Increased activity in the Planning Enforcement section has resulted in compliance being achieved through negotiation in many cases, or via successful prosecutions for failure to comply with planning legislation. As a consequence, there is a greater awareness of the necessity to comply with the planning code.

HOUSING & COMMUNITY

In 2010, Cork City Council received a Capital Allocation of €22.23m in respect of Housing Construction, approved by the Department of the Environment, Heritage and Local Government. This allocation will enable 96 new housing starts/acquisitions to be made this year, along with completions totalling 178, in order to meet social housing demand. The City Council will continue to undertake a programme in 2011, constrained by the current economic climate & funding limitations.

Due to the downturn in the general economy, the Department of the Environment, Heritage and Local Government has refocused the Social Housing Investment Programme funding from Construction to the new Social Housing Leasing Initiative in 2010. It is anticipated that this change in funding streams will continue in the coming years. We have completed the construction of 38 no. units in Knocknacullen in 2010.

In 2010, the Government introduced a new Social Housing Leasing Initiative for Housing Authorities and Approved Housing Bodies, in order to provide accommodation to persons who are currently unable to source suitable properties from their own resources. The City Council's Housing Directorate has engaged with Property Developers, Property Owners and Approved Housing Bodies, in order to advance suitable proposals under the initiative.

Maidir le cúrsaí Oidhreacht, cuireadh sraith tionscadal i bhfeidhm i 2010 chun Oidhreacht na cathrach a chur chun cinn, lena n-áirítear Lá Oscailte Oidhreacht a raibh an-rath air, Clár Oiliúna Bithéagsúlachta don fhoireann, agus an scéim deontas d'eagraíochtaí Oidhreacht. Leanadh ar aghaidh leis an scéim deontas um chaomhnú ailtireachta agus cuireadh tacaíocht ar fáil chun 17 bhfoirgneamh sa chathair a athchóiriú a bhfuil tábhacht oidhreacht ag baint leo.

Seoladh 465 iarratas pleanála chuig an Stiúrthóireacht Pleanála agus Forbartha i 2010. Ar na mór-iarratais a próiseáladh i rith na bliana bhí an t-iarratas pleanála ba mhó a cuireadh faoi bhráid Chomhairle Cathrach Chorcaí riamh. Ba iarratas é ar scéim ilchineálach agus lárionad ceantair ag Páirc Tráchtála na Muiríne. Tugadh cead pleanála chun suíomh Topaz, Bóthar na Páirce Láir, a dhíchoimisiniú mar aon le lárionad ceantair nua a thógáil.

Cheadaigh an t-údarás áitiúil athfhorbairt mhór ilchineálach a dhéanamh ar Ionad Siopadóireachta Wilton freisin, lena n-áirítear ionaid miondíola nua, ionad comhdhála, pictiúrlann, cúirt babhlála, oifigí, agus cearnóg nua uirbeach. Rinneadh dhá chinneadh chun cead a dheonú le haghaidh forbairtí a dhéanfaidh sárú ábhartha ar an bPlean Forbartha. Bhain siad sin le scéim tráchtála ilchineálach ag Loch Machan agus le hionad pobail do Chumann Moslamach Chorcaí ar Bhóthar na Trá Móire.

Tá forbairtí suntasacha nua déanta i lár na cathrach agus in áiteanna eile de bharr cinní pleanála a rinneadh le déanaí, lena n-áirítear scéimeanna miondíola mórsála ag Sráid Phádraig/Plás Emmet, Sráid na Leathghealaí, agus ag Sráid Mhargadh an Arbhair. Chuidigh siad seo chun athrú a dhéanamh ar cheantar lár na cathrach.

Thuill an Scéim do Ranníocaíocht Forbartha, ar glacadh léi i mí Eanáir 2004, € 2.143m i 2010. Úsáidtear na ranníocaíochtaí seo chun freastal ar fhorbairt reatha agus amach anseo i gCathair Chorcaí agus tá siad curtha ar leataobh d'oibreacha caipitiúla.

Fágann an méadú ar ghníomhaíochtaí sa Rannóg Forfheidhmithe Pleanála go rabhthas in ann comhlíonadh a bhaint amach trí idirbheartaíocht in a lán cásanna, nó trí leas a bhaint as ionchúisimh i gcásanna nár comhlíonadh leis an reachtaíocht pleanála. Dá thoradh seo, tá tuiscint níos fearr ag daoine ar an riachtanas atá ann an cód pleanála a chomhlíonadh.

TITHÍOCHT & POBAL

I 2010, fuair Chomhairle Cathrach Chorcaí Leithdháileadh Caipitil €22.3 milliún maidir le Tógáil Tithe, a cheadaigh an Roinn Comhshaoil, Oidhreacht agus Rialtais Áitiúil. Fágfaidh an leithdháileadh seo gur féidir 96 teach nua a thosach/ a fháil i mbliana, chomh maith le 178 teach a chur i gcrích san iomlán, chun éileamh ar thithíocht shóisialta a chomhlíonadh.

Leanfaidh an Chomhairle Cathrach de bheith ag tabhairt faoi chlár i 2011, ach beidh sé srianta mar gheall ar na cúinsí eacnamaíochta reatha agus ar theorainneacha le maoiniú.

Mar thoradh ar an gcor chun donais sa gheilleagar go ginearálta, tá an Roinn Comhshaoil, Oidhreacht agus Rialtais Áitiúil tar éis athdhíriú a dhéanamh ar an maoiniú don Chlár Infheistíochta Tithíochta Sóisialta ó Thógáil go dtí an Tionscnamh Léasaithe Tithíochta Sóisialta nua i 2010. Táthar ag súil go leanfar leis an athrú seo i sruthú maoinithe sna blianta atá amach romhainn. Tá 38 aonad curtha i gcrích againn i gCnoc an Chuilinn i 2010.

I 2010, thug an Rialtas Tionscnamh Léasaithe Tithíochta Sóisialta nua isteach d'Údaráis Tithíochta agus do Chomhlachtaí Tithíochta Ceadaithe, chun cóiríocht a chur ar fáil do dhaoine nach bhfuil ábalta áitribh oiriúnacha a fháil óna n-acmhainní féin. Tá Stiúrthóireacht Tithíochta na Comhairle Cathrach tar éis dul i ngleic le Forbróirí Réadmhaoine, Úinéirí Réadmhaoine agus Comhlachtaí Tithíochta Ceadaithe, chun tograí feiliúnacha a chur chun cinn faoin tionscnamh.

Cé go bhfuil go leor dul chun cinn déanta maidir le tograí a bhrú chun cinn ar scéimeanna éagsúla, tá 16 aonad bainte amach go dtí seo i 2010. Táthar ag súil go mbeidh timpeall 250 aonad ar fáil i 2011 faoin tionscnamh, faoi réir Comhaontuithe Léasaithe a chur i gcrích go rathúil ar na tograí eile.

I 2010, fuair Chomhairle Cathrach Chorcaí Leithdháileadh Caipitil 4.5 milliún i leith soláthar cóiríochta do riachtanais speisialta ó Earnáil na Tithíochta Deonaí agus na Comhar-Thithíochta. Cuireadh 35 aonad i gcrích i 2010. Seachadfar aonaid bhreise faoin Scéim um Chúnamh Caipitil, a bhfuil tograí ina leith os comhair na Roinne Comhshaoil, Oidhreacht agus Rialtais Áitiúil, ag brath ar ár leithdháileadh maoiniúcháin i 2011.

Although much progress has been made in advancing proposals on various schemes, 16 units have been delivered to date in 2010. It is anticipated that, subject to successfully concluding Leasing Agreements on the remaining proposals, some 250 units will become available in 2011 under the initiative.

In 2010, Cork City Council received a Capital Allocation of €4.5m for the provision of special needs accommodation by the Voluntary & Co-Operative Housing Sector. There were 35 no. completions in 2010. The delivery of further units under the Capital Assistance Scheme, proposals for which are with the Department of the Environment, Heritage and Local Government, will be dependent on our funding allocation in 2011.

The Housing Capital Team launched a suite of documents in October 2010, in order to provide direction and cohesion to all participating stakeholders in the planning, design and construction of social & affordable housing for Cork City Council.

These documents have been developed over the past 18 Months following extensive consultation and cooperation with our colleagues in Housing Maintenance, Planning, Law, Architects, Water Distribution, Drainage, Roads & Traffic Sections and Parks Recreation.

With the introduction of new government Capital Works Management Framework by the Department of Finance, we reviewed the existing procedures and decided to develop a comprehensive methodology that covered all aspects of the procurement process for the design and construction of social and Affordable Housing by Cork City Council.

The relevant documents include the following:

- General Specifications for Construction works associated with Social & Affordable Housing.
- Preliminaries and Works Requirements for Construction & Demolition Works associated with Social & Affordable Housing.
- Procedures to be adopted by Housing Directorate for all planning applications under Part 8 of the Planning & Development Acts
- Procedures to be adopted by Housing Directorate & Law Dept for all Contracts to be entered into for the purchase or construction of Social & Affordable Houses.

In 2010, the City Council availed of significant grant assistance from the Department of the Environment, Heritage and Local Government towards the refurbishment and the retrofitting of energy efficiency measures to approximately 200 vacant units. The works were carried out both by the City Council's own staff and by Contract. It is expected that this initiative will continue in 2011.

In addition to such work to vacant units, in 2011 the City Council proposes, again with the assistance of the Department of the Environment, Heritage and Local Government, to include some of the older housing stock and apartments in contracts for the retrofitting of energy efficiency measures.

In 2009 under the Housing (Miscellaneous Provisions) Act, 2009 a Regional Homelessness Consultative Forum was set up for the South West Region which comprises of Cork City Council, Cork County Council, Kerry County Council and the Health Service Executive. The Regional Forum produced a framework Homelessness Action Plan for the region based on the review of services undertaken by Murtagh & Associates in 2009 and this was adopted by Council in June 2010.

Sheol an fhoireann um Chaipiteal Tithíochta tacar doiciméid i nDeireadh Fómhair 2010, chun treoir agus comhtháthú a chur ar fáil do gach geallsealbhoir atá rannpháirteach i bpleanáil, dearadh agus tógáil tithíochta sóisialta & inacmhainne do Chomhairle Cathrach Chorcaí. Forbraíodh na doiciméid seo le 18 mí anuas tar éis dul i gcomhairle go forleathan agus comhoibriú lenár gcomhghleacaithe i gCothabháil Tithíochta, Pleanáil, DLí, Ailtirí, Dáileachán Uisce, Draenáil, Rannóga Bóithre agus Tráchtas agus Páirceanna agus Áineas.

Nuair a thug an Roinn Airgeadais Creat Bainistíochta Oibreacha Caipitil rialtais nua isteach, rinneamar athbhreithniú ar na nósanna imeachta atá ann cheana féin agus ghlacamar cinneadh modheolaíocht chuimsitheach a fhorbairt, a chlúdaigh gach gné den phróiseas soláthair maidir le dearadh agus tógáil tithíochta sóisialta agus inacmhainne ag Comhairle Cathrach Chorcaí.

Áirítear na doiciméid seo a leanas ar na doiciméid ábhartha:

- Sonraíochtaí Ginearálta maidir le hoibreacha Tógála a bhaineann le Tithíocht Shóisialta Inacmhainne.
- Réamhimeachtaí agus Riachtanais Oibreacha maidir le hOibreacha Tógála & Scartála a bhaineann le Tithíocht Shóisialta Inacmhainne.
- Nósanna imeachta le glacadh ag an Stiúrthóireacht Tithíochta maidir leis na hiarratais phleanála uile faoi Chuid 8 de na hAchtanna Pleanála & Forbartha
- Nósanna imeachta le glacadh ag an Stiúrthóireacht Tithíochta & ag an Roinn DLí maidir leis na Conarthaí uile le bheith déanta maidir le ceannach nó tógáil Tithe Sóisialta Inacmhainne

I 2010, bhain an Chomhairle Cathrach leas as cúnamh deontais suntasach ón Roinn Comhshaoil, Oidhreachtas agus Rialtais Áitiúil chun cabhrú le bearta éifeachtúlachta fuinnimh a athchóiriú agus a iarfhéistiú i dtimpeall 200 ionad folamh. Bhí an obair seo ar bun ag foireann na Comhairle Cathrach féin agus ar Conradh. Táthar ag súil go leanfar leis an tionscnamh seo i 2011.

Chomh maith le hobair den chineál sin in aonaid fholmha, tá sé i gceist ag an gComhairle Cathrach le cabhair ón Roinn Comhshaoil, Oidhreachtas agus Rialtais Áitiúil cuid den soláthar tithe agus árasán níos sine a chuimsiú i gconarthaí a bhaineann le

hathchóiriú agus le iarfhéistiú bearta éifeachtúlachta fuinnimh.

Ceapadh Fóram Comhairleach Réigiúnach um Easpa Dídine i 2009 faoi Acht na dTithe (Forálacha Ilghnéitheacha) 2009 i gcomhair Réigiún an Iardheiscirt atá comhdhéanta de Chomhairle Cathrach Chorcaí, Comhairle Contae Chorcaí, Comhairle Contae Chiarraí agus d'Fheidhmeannacht na Seirbhíse Sláinte.

Cheap an Fóram Réigiúnach creatphlean Gníomhaíochta um Easpa Dídine don réigiún bunaithe ar an athbhreithniú a rinne Murtagh & Associates ar na seirbhísí i 2009 agus ghlac an Chomhairle leis seo i mí an Mheithimh 2010.

Tá an plean seo á fhorbairt anois ag Grúpa Bainistíochta Straitéisí an Fhórait mar Phlean Gníomhaíochta Réigiúnach agus cuirfidh sé bunús ar fáil do sholáthar seirbhíse sa réigiún i rith na dtrí bliana atá romhainn. Lena chois sin cuireadh an grúpa Idirghníomhaireachta chun feidhme i 2010 le breathnú i ndiaidh riachtanais chóiríochta agus tacaíochta daoine óga idir 18 agus 25 bliain d'aois. Is é an t-ioncam a cuireadh ar leataobh do sheirbhísí easpa dídine i 2010 ná €4.2 milliún, agus 90% de sin á fháil ar ais ón Roinn Comhshaoil, Oidhreachtas agus Rialtais Áitiúil.

Maidir leis an Scéim um Chóiríocht ar Cíos, bainfear os cionn 300 comhaontú amach den chuid is mó i rith 2010, rud atá ag cloí leis an sprioc a leagadh síos. Tá timpeall 750 comhaontú curtha i bhfeidhm idir na hearnálacha Príobháideacha agus Deonacha um Thithíocht ar Cíos faoin Scéim um Chóiríocht ar Cíos.

D'oscail an tAire Michael Finneran Bloc D de Thionscadal Athnuachana Chnoc na hAoine agus forbairt an Lárionaid Bhaile nua ar an 11 Deireadh Fómhair, 2010. Tá Céim III den Scéim Athnuachana imithe ar aghaidh go céim an deartha agus cuirfear tús leis an obair thógála nuair a bheidh deireadh curtha le hathbhreithniú ar Mháistirphlean Chnoc na hAoine atá ar siúl faoi láthair.

Tá tús curtha leis an dara céim de Thionscadal Athnuachana an Ghleanna. Leagadh tuilleadh bloc árasán, rud a chuir feabhas mór ar chuma an cheantair. Cuireadh bailchríoch ar athchóiriú choimpléasc Chéide Ghleann na Gréine agus ar choimpléasc Árasáin an Chúisínigh chomh maith i mí Mheán Fómhair 2010.

This framework plan is now being developed into a Regional Action Plan by the Strategic Management Group of the Forum and this plan will form the basis for service provision in the region for the next three years. 2010 also saw the implementation of an Inter Agency group to look after the accommodation and support needs of young people between the ages of 18 and 25 years. The provision for homeless services in 2010 is €4.2 m, with 90% recoupable from the Department of the Environment, Heritage and Local Government.

Work on Block D of the Knocknaheeny Regeneration Project and the development of the new Town Centre were officially opened by Minister Michael Finneran on 11th October, 2010. All elements of the community facilities, including the new Area Housing Office are now operational. Phase III of the Regeneration Scheme has advanced to design stage and construction will commence following the completion of a review of the Knocknaheeny Masterplan which is currently underway.

The second phase of the Glen Regeneration Project has commenced and further blocks of flats were demolished, contributing a significant visual improvement to the area. The refurbishment of the Sunvalley Drive complex was completed and the Cushing Flat complex was also completed in September 2010.

ROADS AND TRANSPORTATION

The City Council received planning approval for the Docklands Infrastructure Scheme along with confirmation of the accompanying Compulsory Purchase Order. Tenders were received for the construction of the Bandon Road and Sarsfield Road Interchanges on the South Ring Road with

work expected to commence in early 2011. Consultants have been appointed for the design of an upgrade of the Dunkettle Interchange with a Scheme to be published in 2012. Preparation of an EIS and compulsory acquisition order documentation is largely complete for the eastern section of the Northern Ring Road. The City Council working with the County Council and other Stakeholders are closing out the final projects in the current Green Routes Programme, which will provide improvements on 130km of the most heavily used bus corridors along with improvements for cyclists on the same routes. Work is well advanced on the design of a park and ride facility on the Carrigrohane Road. In conjunction with the resolution of traffic problems at the Dunkettle Roundabout, a further Park and Ride Facility will be provided.

The City Council continues to address mobility demand management on schemes funded by the European Union and by participating in a bid under the National Sustainable Transport Programme for an Integrated Smarter Travel Project.

CONCLUSION

The redevelopment of Cork Docklands is a key project for the city and is seen as a key factor in the growth of Metropolitan Cork and the Cork Gateway. As such the regeneration project is one of the core elements contained in the Cork Area Strategic Plan (C.A.S.P.) and the Cork City Development Plan 2009-2015.

The following key areas formed the main focus of activity by the Docklands Directorate in 2010:

- Design of the Public Realm
Landscape Architects and supporting consultants were sought in 2009 for the design of the public realm/public spaces in Docklands. Mitchell+Associates leading a multi disciplinary design team were selected in early 2010 and commenced work on the detailed designs for the full extent of the public realm within the North and South Docks.
- Procurement of Consultants for the Design of Marina Park

BÓITHRE AGUS IOMPAIR

Fuair an Chomhairle Cathrach cead pleanála le haghaidh Scéim Bonneagair na nDuganna chomh maith leis an Ordú Ceannaigh Éigeantaigh a ghabhann leis. Fuarthas tairiscintí chun na hAcomhail ar Bhóthar Dhroichead na Bandan agus ar Bhóthar an tSáirséalaigh ar an gCuarbhóthar Theas a thógáil, agus táthar ag súil go gcuirfear tús leis an obair go luath i 2011.

Tá sainchomhairleoirí ceaptha chun dearadh a sholáthar i gcomhair uasghrádú Acomhail Dhún Citil, agus foilseofar Scéim i 2012. Tá Ráiteas Tionchair Timpeallachta agus doiciméid maidir le hordú tógála éigeantaí don Chuid Thoir den Chuarbhóthar Thuaidh curtha i gcrích den chuid is mó.

Tá an Chomhairle Cathrach, i gcomhar leis an gComhairle Contae agus le Páirtithe Leasmhara eile, ag críochnú na dtionscadal deiridh sa Chlár Bealaí Glasa reatha, a chuirfidh feabhsúcháin ar fáil ar 130km de na conairí bus is mó a úsáidtear, chomh maith le feabhsúcháin do rothaithe ar na bealaí céanna.

Tá obair go mór chun cinn ar dhearadh áis páirceála agus taistil ar Bhóthar Charraig Ruacháin: i gcomhar le réiteach fadhbanna tráchta ag Timpeallán Dhún Citil, cuirfear áis bhreise páirceála agus taistil ar fáil.

Leanann an Chomhairle Cathrach ag tabhairt faoi bhainistíocht éilimh shoghluaisteachta ar scéimeanna arna maoiniú ag an Aontas Eorpach agus trí pháirt a ghlacadh i dtairiscint faoin gClár Iompair Inbhuanaithe Náisiúnta do Thionscadal Comhtháite *Smarter Travel*.

CONCLÚID

Príomhthionscadal don chathair is ea athfhorbairt Dhuganna Chorcaí agus is gné lárnach i bhforbairt Chathair agus Thairseach Chorcaí í. Mar sin, tá an tionscadal athnuachana seo ar cheann de na gnéithe lárnacha atá i bPlean Straitéiseach Cheantar Chorcaí (PSCC) agus i bPlean Forbartha Chathair Chorcaí 2009-2015.

Is ar na príomhréimsí seo a leanas a dhírigh Stiúrthóireacht na nDuganna a cuid gníomhaíochta i 2010:

- Dearadh an Limistéir Phoiblí
Lorgaíodh Ailtirí Tírdhreacha agus sainchomhairleoirí tacaíochta i 2009 chun spásanna poiblí an limistéir phoiblí sna Duganna a dhearadh. Roghnaíodh Mitchell & Associates atá i gceannas ar fhoireann deartha ildisciplíneach go luath i 2010 agus cuireadh tús le dearáí mionsonraithe a tharraingt i gcomhair gach áite a mbeidh baint ag an bpobal leo i limistéir na nDuganna Thuaidh agus Theas.
- Sainchomhairleoirí a fháil chun Páirc na Muiríne a Dhearadh
Cuireadh tús i Nollaig na bliana 2010 leis an bpróiseas maidir le hAiltirí Tírdhreacha agus sainchomhairleoirí tacaíochta eile a cheapadh chun thart faoi 30 heicteár de thailte concláiste a dhearadh ag an Muiríne, agus cuireadh 6 ghrúpa sainchomhairleoirí ar an ngearrliosta. Tá sé beartaithe iad a chur faoi agallamh agus an próiseas a thabhairt chun críche go luath i 2011.

Tar éis tionscadal athfhorbartha suntasach a cuireadh tús leis i samhradh na bliana 2009, tá athchóiriú déanta ar shuíomh Gréasáin na Comhairle Cathrach, suíomh a bhain duaiseanna amach roimhe seo, agus thosaigh sé ag feidhmiú ar an Aoine, 3 Meán Fómhair, 2010. Tá i bhfad níos mó déanta sa tionscadal bliana seo ná cuma an tsuímh a athrú - tá treoshuíomh iomlán an tsuímh athraithe go mór.

Bhí bunstruchtúr an tsuímh deartha go príomha chun neart faisnéise faoin gComhairle Cathrach agus faoi na seirbhísí éagsúla a chuireann sí ar fáil a chur in iúl. Thosaigh an tionscadal athfhorbartha amach trí dhíriú ar staitisticí úsáide, próifíl a chur le chéile maidir le cuairteoirí agus anailís a dhéanamh ar an eolas a bhí á rochtain acu.

Ceann de na rudaí a spreag an t-athdhearadh ná go mbeadh sé ar chumas an tsuímh Ghréasáin an Chathair a chur chun cinn feasta. Tá athchumrú nua déanta ar an suíomh Gréasáin anois chun go mbeidh ról straitéiseach aige maidir le cur chun cinn Chorcaí agus Réigiún Chorcaí.

The procurement process for Landscape Architects and other supporting consultants to design some 30 ha of amenity lands at the Marina was commenced in 2010 with 6 groups of consultants being shortlisted in December of that year. Following a major redevelopment project which started in summer 2009, the Award-winning City Council website has been revamped and went live on Friday, September 3rd, 2010. The year-long project has gone a lot further than producing a new look for the site - the orientation of the site has been radically changed.

The original structure of the site was designed primarily to convey a wealth of information in relation to the City Council and the various services it provides. The redevelopment project began by focusing on usage statistics, profiling the visitors and analysing the information that they were accessing.

The potential of the website to fulfill a promotional role for the City was a key driver in its redesign. The website has now been reconfigured to function a lot differently and to fulfill a strategic role in promoting Cork and the Cork Region. As well as the smart new look, new features have been added to the site including video clips and an Events Carousel.

The functionality has been adapted to provide for more efficient sign-posting to other service providers and sites of interest.

Lifetime Lab at the Old Cork Waterworks has become the first tourist attraction in Ireland to receive the internationally recognised ECO centre accreditation from An Taisce. The City Manager Joe Gavin and Lord Mayor Cllr. Michael O'Connell accepted the award on behalf of the popular visitor centre operated by Cork City Council on the Lee Road.

The centre which is open to the public promotes sustainable living as well as providing science and environmental education for primary schools. The Standard was achieved by introducing environmental management systems across day to day operations, for example the monitoring of energy allowed Lifetime Lab to reduce its electricity consumption by 36%, and similar savings were made across water and waste.

Lifetime Lab is located in the old Cork City Waterworks on the Lee Road. Open to the public the restored Victorian complex contains a Visitor Centre with interactive exhibits, a steam centre with the original boilers and huge steam engines once used to supply water to the City of Cork, a schools centre, coffee dock, picnic area, children's playground and is fully wheelchair accessible.

Tá an t-ionad oscailte don phobal, agus cuireann sé maireachtáil inbhuanaithe chun cinn chomh maithe le hoideachas eolaíochta agus comhshaoil a chur ar fáil do bhunscoileanna. Baineadh amach an Caighdeán trí chórais bainistíochta comhshaoil a thabhairt isteach i gcomhair oibríochtaí laethúla, mar shampla, laghdaigh an tSaotharlann Saolré a hídiú leictreachais faoi 36% mar thoradh ar mhonatóireacht fuinnimh, agus rinneadh coigiltis den chineál céanna ar uisce agus ar dhramhaíl.

Tá an t-ionad Viteoiriach nuachóirithe oscailte don phobal agus tá Ionad na gCuairteoirí ann le taispeántais idirghníomhacha, ionad gail leis na coirí bunaidh agus na hinnill ghaile mhóra a d’úsáidteá tráth den saol chun uisce a chur ar fáil do Chathair Chorcaí, ionad scoile, láthair caifé, láthair picnicí, clós súgartha do leanaí, agus tá sé lánoiriúnach do chathaoir rothaí.
