Lord Mayor's Foreword.

Is cúis mhór áthais dom an deis seo a bheith agam réamhfhocal a sholáthar do Tuarascáil Bhliantúil Chomhairle Cathrach Chorcaí 2012.

Economically 2012 was a difficult and challenging year for the people of Cork and Cork City Council. Increased pressure on revenue streams from central government and those raised locally, in conjunction with a continuing reduction in staff numbers through retirement and non-replacement, meant that Cork City Council had to try and provide the range of services expected of it from the people and business community of Cork with less. In acknowledging those pressures, this Annual Report for 2012 marks the achievements and actions of the City Council in further developing and promoting our City.

During 2012, Cork City Council had the responsibility for collecting the Household Charge. This was a difficult task for the Council given that this was a new tax, the absence of a national database of homeowners and no agreement on data sharing between State Agencies at the start of the year. By year end over 70% had paid the charge but the direct linking of locally collected charges and funding of local authorities was emphasised when the Local Government Fund was cut because national collection targets were not met. The new Property Tax will be collected by Revenue in 2013 but there is a need for a very real and meaningful debate about the provision and funding of local services and local taxation.

Cork City Council through the development of an economic development fund has supported economic renewal, economic planning and economic sustainability in the city and region. This long-term strategy is essential to ensure that Cork City can capitalise on the green shoots of economic recovery when they occur. The overall collaborative approach taken locally demonstrates the commitment of Cork

to enterprise and economic development, being an outstanding example of the triple helix – close collaboration between business, education and local government.

It has been a privilege to serve as Lord Mayor of Cork. During the period of my year in office I have become even more aware of the tremendous input of those working in the Community and Voluntary sector. This voluntary effort adds significantly to the quality of life of individuals, communities and the fabric of the city while enhancing Cork's designation as a healthy city.

Finally, I would like to express my appreciation to the City Manager and all the staff in Cork City Council for their public service, dedication and commitment to the people of Cork and the city. They are exemplars of public service often giving above and beyond what would or should be expected. I would also like to thank and acknowledge my fellow councillors for their hard work, enthusiasm and commitment to Cork and the people of Cork.

Cllr. John Buttimer,
Lord Mayor of Cork.

Réamhfhocal an Ardmhéara.

Is cúis mhór áthais dom an deis seo a thapú réamhfhocal a sholáthar do Thuarascáil Bhliantúil Chomhairle Cathrach Chorcaí 2012.

Ó thaobh cúrsaí eacnamaíochta de ba dheacair agus ba dhúshlánach an bhliain in 2012 do mhuintir Chorcaí agus do Chomhairle Chathair Chorcaí. Toisc go raibh brú breise ar shruthanna ioncaim ón rialtas láir agus ar shruthanna ioncaim a gcrúnnítear go háitiúil, agus toisc go raibh laghdú leanúnach ar an líon foirne de dheasca daoine ag dul ar scor agus gan daoine á n-athsholáthar, bhí ar Chomhairle Cathrach Chorcaí iarracht a dhéanamh an réimse seirbhísí a chur ar fáil a mbíonn muintir agus lucht gnó Chorcaí ag súil leo, ach le hacmhainní laghdaithe. Agus na brúnna sin á n-aithint, sonraíonn an Thuarascáil Bhliantúil seo do 2012 na héachtaí agus na gníomhartha atá bainte amach ag Comhairle Cathrach Chorcaí le linn forbartha agus cur chun cinn ár gCathrach.

Le linn 2012, bhí an fhreagracht ar Chomhairle Cathrach Chorcaí an Muirear Teaghlaigh a bhailiú. Ba mhór an dúshlán é seo don Chomhairle toisc gur cáin nua ba ea í, le heaspa bunachar sonraí d'úinéirí tí na tíre agus gan chomhaontas ann faoi chomhroinnt sonraí idir Gníomhaireachtaí Stáit ag tús na bliana. Faoi dheireadh na bliana bhí an muirear íochta ag níos mó ná 70% ach leagadh béim ar an nasc díreach atá idir na muirir a mbailítear go háitiúil agus maoiniú d'údaráis áitiúla nuair a gearradh siar ar an gCiste Rialtais Áitiúil toisc nár comhlíonadh spriocanna bailiúcháin náisiúnta. Baileoidh Oifig na gCoimisinéirí Ioncaim an Cháin Mhaoine nua in 2013 ach tá gá le fíor-dhíospóireacht shuntasach faoin soláthar agus faoin maoiniú seirbhísí áitiúla agus cánachas áitiúil.

Trí ciste um fhorbairt eacnamaíochta a fhorbairt tá Comhairle Cathrach Chorcaí tar éis tacú le

hathnuachan eacnamaíochta, pleanáil eacnamaíochta agus le hinbhuanaitheacht eacnamaíoch sa chathair agus sa cheantar. Tá an straitéis fhadtéarmach seo riachtanach ionas go mbeidh Cathair Chorcaí in ann teacht i dtír ar ghasóga glasa an téarnaimh eacnamaíoch nuair a thagann a leithéid chun cinn. Léiríonn an cur chuige comhoibríoch seo a chuirtear i bhfeidhm go háitiúil tiomantas Chorcaí d'fhorbairt na fiontraíochta agus don fhorbairt eacnamaíoch, agus is eiseamláir den scoth é den héilics triarach – comhoibriú dlúth idir gnóthaí, oideachas agus rialtas áitiúil.

Ba mhór an phribhléid dom a bheith im' Ardmhéara Chorcaí. I rith na bliana a chaith mé i mbun oifige, cuireadh ar mo shúile dom níos mó ná riamh an t-ionchur thar cuimse acu siúd atá ag obair san Earnáil Phobail agus Dheonach. Cuireann an iarracht dheonach sin go mór le cáilíocht na beatha ag daoine, ag pobail agus ag inneach na cathrach, ag cur ag an am céanna le hainmniú Chorcaí mar chathair shláintiúil.

Mar fhocal scoir, ba mhaith liom mo bhuíochas a ghabháil le Bainisteoir na Cathrach agus leis an bhfoireann go léir i gComhairle Cathrach Chorcaí, as a gcuid seirbhíse poiblí, a gcuid díograise agus tiomantais do mhuintir Chorcaí agus don chathair trí chéile. Is eiseamláirí iad de sheirbhís phoiblí, go minic ag déanamh an oiread sin sa bhreis ar an méid ar cheart agus ar chóir a bheith ag súil leis. Ba mhaith liom chomh maith mo bhuíochas a ghabháil le mo chuid comhairleoirí comhalta, agus aitheantas a thabhairt dóibh, as a gcuid dianoibre, a gcuid díograise, agus tiomantais do Chorcaigh agus do mhuintir Chorcaí.

An Clr. Seán Buitiméir,
Ardmhéara Chorcaí.

City Manager's Foreword.

The general economic climate and state of the national finances have severely impacted on the City Council over the past three years and continued to do so during 2012. Many of our income sources continue to be under severe pressure, while the current economic situation also results in increased demand for services in many areas, further exacerbating the pressure on the city's finances. Within this context we must balance the need to maintain the competitiveness of our ratepayers and also recognise the difficulties which many of our citizens face in paying for some of the services we provide.

The City Council is also charged with continuing to lead and grow the city's economy and its social and physical structures in an environmentally sustainable manner. This becomes an increasingly difficult task while at the same time operating with significantly reduced resources. In order to maintain a reasonably balanced approach to service delivery and development, the Council has proactively sought out increasing efficiencies in its operations. This has been achieved through the active participation of staff in managing increasing workloads on a prioritised basis, and in achieving significant savings in operational costs.

In 2012 the local government sector continued to progress significant change projects such as the transition of water services to Irish Water and progressing nationally a range of shared services projects. The launch of the local government reform programme under "Putting People First", launched by the Minister in October 2012, will introduce further change for the sector including the proposed establishment of Local Enterprise Offices and Socio Economic Committees. The city council welcomes these initiatives in further strengthening the role and relevance of local government and will work towards their establishment in 2013.

In conclusion I would like to thank the Lord Mayor and City Councillors for their support during the year and to thank all City Council employees for their ongoing commitment to maintaining quality services to the public in spite of reduced numbers and financial resources.

Tim Lucey,
City Manager.

Réamhfhocail ó Bhainisteoir na Cathrach.

Bhí tionchar tromchúiseach ag an timpeallacht eacnamaíoch tríd is tríd agus ag staid chúrsaí airgeadais na tíre ar Chomhairle Cathrach Chorcaí le trí bliana anuas agus b'amhlaidh an scéal chomh maith le linn 2012. Tá go leor dár gcuid foinsí ioncaim faoi bhrú mór agus ag an am céanna tá éileamh breise ar sheirbhísí i gcuid mhaith réimsí mar gheall ar staid reatha an gheilleagair, rud a chuireann tuilleadh leis an mbrú atá ar chúrsaí airgeadais na cathrach. Sa chomhthéacs sin caithfimid cothromaíocht a bhaint amach idir an riachtanas atá ann iomaíochas na n-íocóirí rátaí a choimeád agus fós a aithint go bhfuil deacrachtaí ag cuid mhaith dár saoránaigh íoc as roinnt de na seirbhísí a chuirimid ar fáil.

Chomh maith leis sin tá sé de chúram ar an gComhairle Cathrach eacnamaíocht na cathrach a stiúradh agus a fhás mar aon le struchtúr, idir shóisialta agus fhisiciúil, i slí atá inbhuanaithe ó thaobh an chomhshaoil de. Is go mór i ndeacracht a théann an tasc sin agus an Chomhairle ag feidhmiú le hacmhainní atá laghdaithe go mór. Ionas go gcoimeádfai cur chuige sách cothrom ó thaobh seachadadh seirbhíse agus forbartha de, tá an Chomhairle tar éis dul sa tóir go forghníomhach ar bhreis éifeachtúlachtaí ina cuid oibríochtaí. Táthar tar éis é seo a bhaint amach trí rannpháirtíocht ghníomhach na foirne ag bainistiú ualaí méadaithe oibre ar bhonn tosaíochta, agus trí choigilteas suntasach a bhaint amach i gcostais oibríochta.

In 2012 lean earnáil an rialtais áitiúil léi ag cur tionscadail mhóra athraithe ar aghaidh, mar shampla aistriú na seirbhísí uisce go hUisce Éireann, agus ag cur réimse tionscadal seirbhísí comhroinnte ar aghaidh go náisiúnta. Ciallaíonn an clár um athchóiriú an rialtais áitiúil faoi scáth "Putting People First",

a sheol an tAire i mí Dheireadh Fómhair 2012, go mbeidh tuilleadh athraithe i ndán don earnáil lena n-áirítear bunú beartaithe Oifigí Fiontraíochta Áitiúla agus Coistí Socheacnamaíocha. Cuireann an chomhairle cathrach fáilte roimh na tograí sin, a chuireann le ról agus le hábharthacht an rialtais áitiúil, agus beimid ag obair i dtreo a mbunaithe in 2013.

Mar fhocal scoir ba mhaith liom buíochas a ghabháil leis an Ardmhéara agus leis na Comhairleoirí Cathrach as a gcuid tacaíochta i gcaitheamh na bliana agus ba mhaith liom buíochas a ghabháil chomh maith le fostaithe uile na Comhairle Cathrach as a gcuid tiomantais leanúnaigh ag soláthar seirbhísí den chéad scoth don phobal ainneoin go raibh foireann agus acmhainní airgeadais laghdaithe acu.

Tadhg Ó Luasa,
Bainisteoir na Cathrach.

Roinn Ailtire Na Cathrach
City Architect's Department

Group Housing Scheme, Hollyhill, Cork.

The proposed development is for a Group Housing Scheme at Hollyhill, Cork. The group housing scheme, designed in 2012 by City Architect's Department, will be situated approximately 200 yards from the existing halting site. Construction work is due to commence on site in May 2013. The development consists of a 16 unit residential development, a community centre and ancillary works. The layout illustrates a south-facing street with a 'hammer-head' turnaround, off which a 'ring' system is developed around a central green area. The design of the scheme was finalised following extensive consultation with the families resident on the existing halting site. The design was also influenced by the limitations of the site configuration and the overall proposals for the area.

The Group Housing Scheme will provide high quality homes for the families concerned along with a community centre and a playground for the younger children. The scheme has been designed as far as possible to comply with the wishes of the families, both individually and collectively in terms of the facilities and layout of the individual homes and the design of the scheme as a whole.

Grúpscéim Tithíochta, Cnoc An Chuilinn, Corcaigh.

Tá an fhorbairt seo beartaithe do Ghrúpscéim Tithíochta ag Cnoc an Chuilinn, Corcaigh. Lonnófar an ghrúpscéim tithíochta, a dearadh in 2012 ag Roinn Ailtire na Cathrach, timpeall 200 slat ón láithreán stad atá ann cheana féin. Tá sé beartaithe go dtosófaí obair thógála ar an suíomh i mí na Bealtaine 2013. San fhorbairt tá forbairt cónaithe le 16 aonad, ionad pobail agus oibreacha coimhdeacha. Sa leagan amach feictear sráid a bhfuil a haghaidh ó dheas aici le spás casaidh i riocht 'ceann casúir', agus uathí sin tá córas 'fáinne' forbartha timpeall ar achar glas lárnach.

Tarraingíodh suas dearadh na scéime i ndiaidh comhairliúcháin fhorleathain leis na teaghlaigh atá ina gcónaí ar an láithreán stad atá ann. Chomh maith leis sin bhí tionchar ar an dearadh ag srianta chumraíocht an tsuímh agus ag na tograí trí chéile atá beartaithe don cheantar. Cuirfidh an Ghrúpscéim Tithíochta tithe ar ardchaighdeán ar fáil do na teaghlaigh atá bainteach leis an scéim chomh maith le hionad pobail agus clós súgartha do na páistí óga. Tagann dearadh na scéime chomh fada agus is féidir le mianta na dteaghlach, ina n-aonar agus ina mórghrúpa, maidir leis na háiseanna agus le leagan amach gach tí faoi leith agus maidir le dearadh na Scéime tríd is tríd.

Hollyhill Community Garden & Training Shed.

A vibrant new Community Garden for the City Northwest Quarter, sited in Hollyhill, Knocknaheeny, was completed in December 2012.

Facilities include a training shed, polytunnel, tool shed, composting area, kids area, reflection space, orchard, over 50 raised beds (2 with wheelchair access) with further open space for future development. Funding was provided by the Department of Environment & Local Government, through Cork City Council Housing Regeneration.

Local community group Niche worked closely with Cork City Council Regeneration Dept, RAPID and members of the Local Community to ensure that the garden works commenced in early 2012. City Architects Department was tasked with designing the garden and training facility which they completed in early 2012. The construction works were split into two phases, the majority of the ground works in phase 1 and the building works in phase 2.

Currently Niche employs a development worker to support the local community in developing the garden. An increasing group of local volunteers oversee and implement the day to day running of the garden. Employment schemes are also providing additional hours and expertise.

The committee of local residents oversee the strategic development of the garden, in areas such as fundraising, policies etc. Open sessions take place during the week, where local groups and residents can come along and get involved in shared growing, composting, maintaining and harvesting. City Northwest College are also running garden design and vegetable growing FETAC courses from the site. Future plans for community and group sessions include afterschool club activities, daily open sessions, and events such as Halloween, spring and harvest festivals.

Initially the garden plans were met with some hesitation over concerns about anti-social behaviour. Still in its very early stages of development, local

residents and groups can now see how much it enhances the area, and is a real asset to the community.

New Ramp To Concert Hall Entrance Of City Hall.

A new stone faced ramp has been added to the quayside entrance of City Hall, to ensure that in future the Concert Hall, with all its frequent and diverse functions, will be fully accessible to all visitors.

The ramp was designed in close co-operation with representatives of people with disabilities in Cork by the City Architects Department and constructed by PJ Lane Construction Ltd. It will allow people with disabilities and parents with buggies gain independent and dignified access to all social and cultural events taking place in City Hall. Before it was sadly discontinued, "The Cork Shout" magazine stated in its issue no. 72 "It is a further endorsement of Cork City Council's stated commitment to implement in as far as possible the terms of the Barcelona Declaration. It is also a ringing endorsement of the Local Authority's commitment and policy of promoting social inclusion. The keystone is now safely embedded in the building of universal access in Cork City Hall".

Libraries

Cork City Council thanks all the library service's CONSTANT READERS, the thousands of Corkonians who visit libraries every week, borrowing books and other materials, who come to libraries to study, to carry out research, to read newspapers and journals, access the internet, or attend classes, exhibitions and talks.

For the second year in a row, the total number of items borrowed from the library service topped the one million mark - 1,011,062 books, CDs and DVDs were issued by the city's seven libraries during 2012. Libraries have seen a jump in usage of more than 26% since 2010, a testament to how important the library service is in the lives of Cork people - children, women and men.

eBooks

Everything is going digital these days, including the City's library service. Since June 2012 members of Cork City Libraries can borrow eBooks 24/7, i.e. anytime day or night, any day of the week. They can download eBooks to read text or eAudiobooks to listen to, on their personal computers, laptops, eReaders, smartphones or other devices. A wide range of books is already available, with more being added. eBooks are especially welcome if, for example, you are going on holiday and are worried about weight restrictions, are finding it difficult to hold hardback books, or if your eyesight is getting weaker.

Designing new libraries

On the library infrastructure front, the Council made progress on a number of projects:

Detailed planning progressed on a purpose-designed Hollyhill Library, to enable the tender to be advertised early in 2013. This will be a state of the art library building of 876 M² with a very pronounced community focus. In layout it will be similar to Tory Top Library which opened in 2005. The Library will be a pro-active agent of social, educational, and cultural inclusion, with a large stock of books, CDs, DVDs, etc.

Ag searmanas speisialta a reáchtáladh ar an Máirt, 12ú Meitheamh 2012 sa Cheoláras, Halla na Cathrach, Corcaigh, bhronn Ardmhéara Chorcaí, an Clr. Terry Shannon 6 Dámhachtain Cathartha an Ardmhéara.

Leabharlanna

Gabhann Comhairle Cathrach Chorcaí buíochas leis na LÉITHEOIRÍ BUANA atá ag seirbhís na leabharlainne, na mílte Corcaíoch a thugann cuairt ar leabharlanna gach seachtain, ag fáil leabhar agus ábhar eile ar iasacht, a thagann chuig na leabharlanna chun staidéar a dhéanamh, taighde a dhéanamh, nuachtáin agus irisí a léamh, teacht ar an idirlíon, nó freastal ar chúrsaí, ar thaispeántais agus ar chainteanna.

Don dara bliain as a chéile tógadh amach ar cíós níos mó ná milliún mír - eisíodh 1,011,062 leabhar, CD agus DVD ag an seacht leabharlann sa chathair le linn 2012. Tá léim úsáide níos mó ná 26% feicthe ag leabharlanna ó 2010 i leith, ag léiriú a thábhachtaí atá seirbhís na leabharlainne i saol muintir Chorcaí - idir pháistí, mhná agus fhir.

rLeabhair

An lá atá inniu ann is ag dul i dtreo an digitithe atá an saol, seirbhís leabharlainne na Cathrach san áireamh. Ó mhí an Mheithimh 2012 i leith tá baill Leabharlanna Chathair Chorcaí in ann rLeabhair a fháil ar iasacht 24/7, .i. aon am lá nó oíche, lá ar bith sa tseachtain. Is féidir leo rLeabhair a íoslódáil le léamh, nó rChlosleabhair le cloisteáil, ar a gcuid ríomhairí pearsanta, ríomhairí glúine, r-léitheoirí, fón cliste nó gléasanna eile. Tá rogha leathan de leabhair ar fáil cheana féin, agus é ag dul i méid an t-am ar fad. Bíonn fáilte roimh rLeabhair go háirithe más ag dul ar laethanta saoire atá tú agus imní ort faoi shriantaí meáchain, nó nuair atá sé ag dul deacair ort teacht ar leabhair faoi chlúdach crua, nó má tá radharc do shúl ag dul i laige.

Leabharlanna nua á ndearadh

Ó thaobh bonneagair na leabharlann de, tá dul chun cinn déanta ag an gComhairle ar thionscadail éagsúla:

Tá dul ar aghaidh le mionphleanáil ar Leabharlann saindearadh do Chnoc an Chuilinn, ionas go bhfhéadfaí iarratas ar thairiscintí a ghairm go luath in 2013. Beidh sé seo ina fhoirgneamh leabharlainne

community-use multi-purpose room; lifelong learning facilities; PCs for internet and e-learning, and access to the Libraries ICT network; space for exhibitions and other activities.

Design work also progressed on the Blackrock-Mahon Library to serve the communities in the South East Ward: the historic fishing village of Blackrock, and the newer Mahon area; this involves the conversion/refurbishment of the former ABODE building on the Skehard Road. This will have a similar range of facilities as Tory Top Library, which opened in 2005, and the proposed new library in Hollyhill.

'It Seems History is to Blame': decade-long programme planned.

In the autumn of 2012 library staff began putting together a programme of events as a contribution to Cork's efforts to make sense of the series of historically important centenaries that are almost upon us: the Easter Rising and the period leading up to it (1913-1916), World War I (1914-1918), and the War of Independence / Civil War (1919-1923). The Libraries plan to facilitate reflections on what lessons we might learn from the positives and negatives of the cultural and social developments of one hundred years ago. The programme will, over the forthcoming decade, involve:

- Events centred on books and writings.
- A series of workshops or discussion fora: e.g. facilitated sessions focused on specific aspects of what is meant by a republic;
- 'What if . . .' scenarios: looking at what might have been.
- The online publication of reading lists, background information, talks, records of workshops, blogs, videos, podcasts, online exhibitions, etc.

Cork City Council: Investing in learning and reading for all.

In 2012, the City Council spent a total of €5.7 million on the Library Service, including almost €240,000 on new books, CDs and other materials. The major part of this investment is in the staff who provide the service in the seven libraries around the city, but there is a considerable investment, around €260,000, in online resources and information & communications technologies.

úrscothach 876 M² d'achar agus fócas an-láidir aige ar an bpobal. Maidir lena leagan amach beidh sé cosúil le Leabharlann na mBuaircíní a d'oscail in 2005. Beidh an leabharlann ina gníomhaí réamhghníomhach ó thaobh cuimsiú sóisialta, oideachasúla, agus cultúrtha de, le stoc mór de leabhair, CDanna, DVDanna srl, seomra ilchuspóra d'úsáid an phobail; áiseanna don fhoghlaim ar feadh an tsaoil; ríomhairí i gcomhair an idirlín agus r-fhoghlama, agus rochtain ar líonra TFC na Leabharlann; spás le haghaidh taispeántas agus gníomhartha eile.

Tá dul ar aghaidh chomh maith le hobair dhearaidh ar Leabharlann na Dúcharraige-Mhachan chun freastal ar an bpobal i mBarda an Oirdheiscirt: sráidbhaile stairiúil iascaireachta na Dúcharraige, agus ceantar níos óige Mhachan; i gceist bhí athrú/athchóiriú ar iar-fhoirgneamh ABODE ar bhóthar na Sceiche. Beidh réimse saoraidí aige ar nós iad atá ag Leabharlann na mBuaircíní, a d'oscail in 2015, agus iad a bheidh ag an leabharlann beartaithe do Chnoc an Chuilinn.

'De réir dealraimh an stair is cúis leis': clár deich mbliana beartaithe.

I bhfómhar 2012 bhí foireann na leabharlainne ag cur clár imeachtaí le chéile mar chuid d'iarrachtaí Chorcaí tuiscint a bhaint as sraith na gcuimhneachán céad bliain atá ag teannadh linn, agus iad chomh tábhachtach ó thaobh na staire de. aimsir Éirí Amach na Cásca agus an tréimshe roimhe (1913-1916), an Chéad Chogadh Domhanda (1914-1918), agus Cogadh na Saoirse / an Cogadh Cathartha (1919-1923). Tá sé beartaithe ag na leabharlanna machnamh a éascú ar na ceachtanna arbh fhéidir linn foghlaim as an sochar agus as an dochar a shíolraigh ó na forbairtí, idir chultúrtha agus shóisialta, a thit amach céad bliain ó shin. Ar an gclár le linn na deich mbliana atá amach romhainn beidh:

- Imeachtaí dírithe ar leabhair agus ar scríbhinní.
- Sraith ceardlann nó fóram díospóireachta: m.sh. seisiúin éascaithe atá dírithe ar ghnéithe faoi leith de thuiscint ar phoblacht;
- Cúinsí 'dá mbeadh: ag féachaint ar na rudaí a

d'fhéadfadh a bheith tite amach.

- Foilsiú ar líne de liostaí léitheoireachta, faisnéis chúlra, cainteanna, taifeadtaí ceardlann, blaganna, físeáin, podchraoltaí, taispeántais ar líne, s.rl.

Comhairle Cathrach Chorcaí: Infheistíocht i bhfoghlaim agus i léitheoireacht do chách.

In 2012, chaith Comhairle Cathrach Chorcaí €5.7 milliún ina iomláine ar an tSeirbhís Leabharlainne, san áireamh bhí beagnach €240,000 ar leabhair nua, CDanna, agus ábhair eile. Tá an chuid is mó den infheistíocht seo déanta san fhoireann a sholáthraíonn an tseirbhís sna seacht leabharlann ar fud na cathrach, ach tá infheistíocht nach beag ann, timpeall €260,000, in áiseanna ar líne agus i dteicneolaíocht faisnéise & cumarsáide.

Archives

- 53 new accessions of local archives in 2012, including several major collections including those of Cork Chamber of Commerce, Cork Savings Bank, the personal papers of former Lord Mayor Sean O'Leary and D.D. Sheehan MP, and large transfers of archives from Cork local authorities.
- Major progress in our descriptive listing programme with an increase of 30% in the number of fully listed collections in 2012, and the digitisation and online publication of cemetery registers and other material.
- 65% increase in requests for material in our reading room compared with 2011.

An Ghaeilge

In January 2012 Cork City Council, through its Grúpa Forbartha Gaeilge, made a submission to the review undertaken by the Minister of State at the Department of An Gaeltacht, Dinny McGinley, of the operation of Oifig an Coimisinéara Teanga and the efficacy of Scéimeanna Teanga in force at that time. In its submission An Grúpa recommended honouring the organisation's existing commitments and to frame its future compliance in the context of the outcome of the Minister's review.

Cork City Council continued to support organisations fostering a bilingual ethos in the city and received a presentation from Gael Taca, a prominent organisation in the city, on a 20 year language strategy for the city which is under consideration. We supported 20 staff, sending 21 children on residential Irish Language immersion courses as part of our ongoing commitment to assisting staff.

Apart from our internal celebration of Seachtain na Gaeilge among its own employees, we supported directly the launch of Daithí agus Goliath, an Irish Language animated feature and the staging of Ar an mBóthar, a bilingual stage play performed in Boston as part of Seachtain na Gaeilge 2012 events.

TEAM (Tourism Events Arts & Marketing)

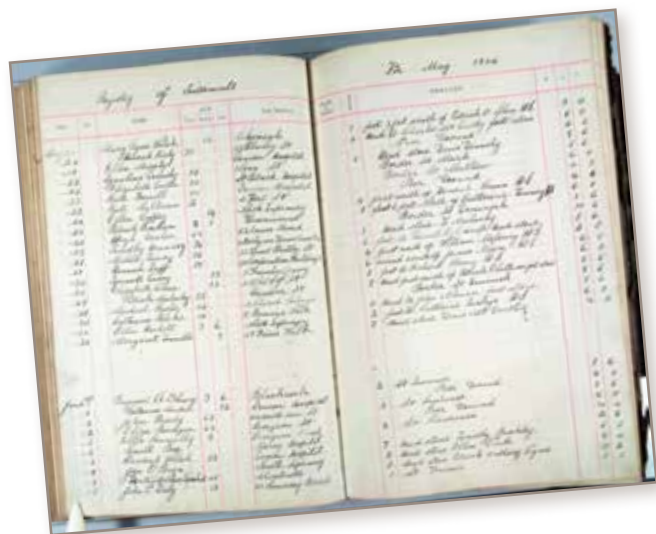

Over the past year TEAM has concentrated on addressing infrastructural deficits within the City's Tourism offering. All of the deficits identified are now being addressed and work on these developments will continue over the course of the City Council Tourism Strategy 2012-2015.

The overall vision for food tourism is that Ireland be recognised by visitors for the availability, quality and value of our local and regional food experiences which evokes a unique sense of place, culture and hospitality. Not only will this have a positive impact on the consumers overall food experience but successful implementation of the framework offers the potential for new business and employment opportunities for suppliers, producers and providers across the food tourism value chain.

TEAM reinstated the Food Festival concept in 2011. In 2012 we have built on and enhanced that initiative. This process will continue over the period of this Strategy.

Cartlanna

- Tógadh 53 cartlann áitiúla i seilbh den chéad uair in 2012, san áireamh bhí mórghailiúcháin mar na cinn a bhí ag Comhlachas Tráchtála Chorcaí, Banc Taisce Chorcaí, na páipéir phearsanta leis an iar-Ardmhéara Sean O'Leary agus leis an Teachta Parlaiminte D.D. Sheehan, agus bhí móraistriú de chartlanna ó údarais áitiúla Chorcaí.
- Dul chun cinn suntasach lenár gclár um liostáil thuairisciúil, agus méadú 30% ar líon na mbailiúcháin a bhí go hiomlán liostáilte in 2012, agus digitíú agus foilsiú ar líne de chlár reilige agus d'ábhar eile.
- Méadú 65% ar iarratas ar ábhar inár seomra léitheoireachta i gcomparáid le 2011.

An Ghaeilge

I mí Eanáir 2012, sheol Comhairle Cathrach Chorcaí, trína Grúpa Forbartha Gaeilge, aighneacht isteach maidir leis an athbhreithniú atá ar bun ag an Aire Stáit i Roinn na Gaeltachta, Dinny McGinley, ar fheidhmiú Oifig an Choimisinéara Teanga agus éifeachtúlacht na Scéimeanna Teanga a bhí i bhfeidhm ag an am. Ina aighneacht mhol an Grúpa go seasfaí le gealltanais reatha na heagraíochta agus a géilliúlacht amach anseo a leagan amach i gcomhthéacs thoradh athbhreithniú an Aire.

Lean Comhairle Cathrach Chorcaí ag tabhairt tacaíochta d'eagraíochtaí a chothaíonn éiteas dátheangach sa chathair agus fuair sí cur i láthair ó Ghael Taca, eagraíocht chluíteach sa chathair, maidir le straitéis teanga 20 bliain don chathair atá faoi chaibidil i láthair na huaire. Thugamar tacaíocht do 20 ball foirne, chuireamar 21 leanbh ar thumchúrsaí cónaitheacha Gaeilge mar chuid dár ngealltanais leanúnach tacú leis an bhfoireann.

Ar leataobh ónár gceiliúradh inmheánach ar Sheachtain na Gaeilge i measc ár gcuid fostaithe féin, thacaíomar go díreach le seoladh Daithí agus Goliath, scannán beochana Gaeilge agus le Ar an mBóthar a chur ar stáitse, sin dráma stáitse dátheangach a cuireadh ar bun i mBostún mar chuid d'imeachtaí Sheachtain na Gaeilge 2012.

TEAM (Imeachtaí Turasóireachta, na hEalaíona & Margaíocht)

Le bliain anuas dhírigh TEAM ar dhul i ngleic le heasnamh bhonneagracha laistigh de réimse Turasóireachta na Cathrach. Táthar ag dul i ngleic leis na heasnamh go léir a tugadh faoi deara agus leanfar den obair ar na forbairtí sin le linn Straitéis Turasóireachta 2012-2015 na Comhairle Cathrach.

Is í an fhís fhoriomlán atá ann do thurasóireacht bhia ná go dtabharfadh cuairteoirí aitheantas d'Éirinn mar gheall ar bhia áitiúil agus réigiúnach a bheith ar fáil ann agus mar gheall ar chaighdeán agus ar luach an bhia sin, rud a spreagann mórtas áite, cultúir agus flaithiúlachta ionainn go léir. Ní hamháin go mbeidh tionchar dearfach aige sin ar an taithí fhoriomlán a bheidh ag tomhaltóirí ar bhia ach nuair a chuirfear an creat i bhfeidhm go rathúil beidh soláthróirí, táirgeoirí agus soláthraithe ar fud an tslabhra luacha turasóireachta bia ar fad in ann leas a bhaint as deiseanna nua fostaíochta agus gnó.

Adventure and Activity Tourism

The TEAM Unit has negotiated the installation of a high ropes course along the Marina walkway. This facility will tie in with Kayaking on the River Lee, activity bike locations in the harbour area and a number of urban orienteering routes throughout the city. Depending on the success of this pilot scheme these facilities will be rolled out over the lifetime of the strategy.

Over the past twelve months the unit has made considerable progress in the development of a number of key critical infrastructural projects and can be synthesised as follows:

- Proposals for the development of a World centre for Irish Heritage.
- Proposals to reincorporate Elizabeth Fort into the city's tourism fabric.
- The provision of a city based motor-home park.
- Development of a high profile for the city as a traditional music venue.
- The implementation of a Signage Strategy as part of a Legible City Initiative.
- Promotion of Cork as a Cycling Hub.
- Development of a dedicated tourism website and free Wifi throughout the city centre.
- Establishment and leadership of the Tourism Development Forum.

Scéal - The World Centre for Irish Heritage

The Unit has brought forward a major proposal in relation to the development of Scéal - a World Centre for Irish Heritage with the intention of optimising available funding for heritage, tourism and public realm projects. The proposals, which are well advanced, revolve around the concept of the origins of the Irish people, their subsequent scattering and the impact of the Irish Diaspora worldwide and will link into existing attractions in the harbour area. The proposal was presented to the Minister for Tourism in March 2012 and TEAM is currently exploring funding options for the initiative.

Elizabeth Fort

The Fort is located in an increasingly important tourism hub. It is within 5 minutes walk of The English Market, visited recently by HM Queen Elizabeth II, St Finbarres Cathedral, the site of the original monastic settlement of ancient Cork, the recently renovated Christchurch on South Main Street, the Triskel Arts Centre and the proposed new Nano Nagle Heritage Centre at South Presentation Covent on Douglas Street.

The intention is to establish an interpretative centre relating to Medieval Cork within the vacated buildings in the Fort and the Council will have formal proposals completed by the end of May 2013. This will form the basis of a grant application to Fáilte Ireland for the development of the Interpretative Centre.

Turasóireacht Eachtraíochta agus Gníomhaíochta

Phléigh Aonad TEAM cúrsa téada arda a chur isteach ar feadh shiúl bhealach na Muiríne. Ceanglófar an tsaoráid seo le cadhcáil ar Abhainn na Laoi, suímh le haghaidh gníomhaíochtaí rothaíochta i limistéar an chuain agus roinnt bealaí rianadóireachta uirbí ar fud na cathrach. Ag brath ar cé chomh maith is a éireoidh leis an treoirscéim déanfar forchéimniú ar na saoráidí seo thar shaolré na straitéise.

Le dhá mhí dhéag anuas rinne an t-aonad dul chun cinn mór ó thaobh roinnt príomhthograí bonneagracha tábhachtacha a fhorbairt agus is féidir cuntas a thabhairt orthu mar seo a leanas:

- Tograí le haghaidh forbairt Lárionaid domhanda um Oidhreacht na hÉireann.
- Tograí chun Dún Eilíse a ath-ionchorprú isteach i gcreatlach turasóireachta na cathrach.
- Páirc mhótar-thithe a sholáthar a bheadh lonnaithe sa chathair.
- Próifíl ard a thabhairt don chathair mar ionad don cheol traidisiúnta.
- Straitéis Comharthaíochta a chur i bhfeidhm mar chuid de Thionscnamh um Chathair Inléite.
- Poiblíocht a dhéanamh ar Chorcaigh mar Mhol Rothaíochta.
- Suíomh gréasáin tiomnaithe don turasóireacht a fhorbairt agus Wifi in aisce a sholáthar ar fud lár na cathrach.
- Bunú agus ceannaireacht an Fhórait Forbartha Turasóireachta.

Scéal - An Lárionad Domhanda um Oidhreacht na hÉireann

Tá mór-thogra curtha chun cinn ag an Aonad maidir le forbairt Scéal – Lárionad Domhanda um Oidhreacht na hÉireann agus é mar rún an maoiniú a bheidh ar fáil i gcomhair tionscadal oidhreachta, turasóireachta agus pobail a uasmhéadú. Baineann na tograí, atá go maith chun cinn, leis an gcoincheap a bhaineann le bunús mhuintir na hÉireann, scaipeadh iartheachtach na ndaoine sin agus tionchar Dhiaspóra na hÉireann ar fud an domhain agus nascfar é le hábhar is díol spéise i limistéar an chuain. Cuireadh an togra faoi bhráid an Aire Turasóireachta i mí an Mhárta 2012 agus tá iniúchadh á dhéanamh ag TEAM ar roghanna maoinithe don tionscnamh faoi láthair.

Dún Eilíse

Tá an Dún suite i mol turasóireachta atá ag éirí níos tábhachtaí ná riamh. Tá sé i bhfoisceacht 5 nóiméad siúil ón Margadh Sasanach, ar thug a shoilse Banríon Eilís II cuairt air le déanaí, Ardeaglais Naomh Fionn Barra, láthair an chéad socrúchán mainistreach i gCorcaigh ársa, Teampall Chríost a hathchóiríodh le déanaí ar an bPríomhshráid Theas, Ionad Ealaíon Triskel agus Lárionad Oidhreachta Nano Nagle nua atá beartaithe a thógáil ag Clochar na Toirbhearta ar Shráid Dhúglais.

Tá sé i gceist ionad léirithe a bhunú ann a bhaineann le Corcaigh sa Mheánaois agus é sin a dhéanamh laistigh de fhoirgnimh fholmha sa Dún agus beidh tograí foirmiúla curtha i gcrích ag an gComhairle faoi dheireadh na Bealtaine 2013. Beidh sé sin mar bhunús le hiarratas ar dheontas a dhéanfar chuig Fáilte Éireann chun an tIonad Léirithe a fhorbairt.

Develop a high profile for the city as a traditional music venue

In 2012, TEAM established the Lee Sessions Programme. Live traditional music can now be found in at least three venues throughout the city each night of the week, (16 venues, 24 sessions in all), during the main tourism season from May to end September. The programme will continue in 2013 and is marketed in all hotels, guesthouses B & B's, restaurants etc.

The Council also commissioned a large Irish traditional music show entitled Pulses of Tradition which has been a resounding success during its first season in Cork moving swiftly to occupy sixth place in the top ten attractions in Cork as voted by Trip Advisor. Its performance on St. Patrick's Night last year was sold out in two days and was streamed live to San Francisco as part of their St Patrick's Day Festivities.

Legible City Project

Work is well advanced in developing a Legible City Strategy for Cork. A scoping exercise conducted by FWDesign has been completed and an Implementation Strategy will be commissioned. The project is primarily designed to make visitors feel welcome and comfortable whilst moving around the city by providing signage, public information panels, on street information kiosks and printed walking maps which have a consistent visual language, naming hierarchy and mapping system. Heritage plaques and arts projects will also be included in the scheme. The intention is to ensure that those unfamiliar with the city will continuously be well informed and well orientated during their time in the city.

Provision of a Motorhome and Caravan Park

Large volumes of motorhome and caravan users travel from the continent and the UK to Ireland via Cork or Rosslare. Because of a lack of facilities Cork is unable to entice much of this passing trade to sample the delights of the city.

Significant progress has been made in 2012 in preparation for the establishment of a Motorhome, Caravan and Camping Park as part of the Tramore Valley Park Development proposals. The Feasibility Study for the Park is currently being finalised and a suitable site adjacent to the Park has already been identified. Development proposals are being finalised and grant funding will also be sought for this project.

Developing Connectivity & Communications

The Unit is well advanced in exploring and developing the options for optimising the latest available technology to promote Cork City as a tourism destination.

The Unit has explored the value of all available platforms and has made recommendations on a programme to deliver an enhanced marketing matrix. This will include, inter alia, proposals for: A Tourism Website, www.cork.ie featuring an interactive Events Calendar with video capacity, booking facilities and live streaming of events, exhibitions etc. The website will be fully live by May 1st 2013. www.cork.ie is information rich and is an excellent platform for brand implementation. However, the web content itself needs to be kept current and updated, i.e. live information is the key. A dedicated resource for web updating, registering and special offers has been secured by the TEAM Unit.

Próifíl ard a fhorbairt don chathair mar ionad don cheol traidisiúnta

In 2012, bhunaigh TEAM an Clár um Sheisiúin ar an Laoi. Gheobhaidh tú ceol traidisiúnta beo i dtrí ionad ar a laghad ar fud na cathrach gach oíche den tseachtain, (16 ionad, 24 seisiún ar an iomlán), le linn an phríomhshéasúir turasóireachta ó Bhealtaine go deireadh Mheán Fómhair. Leanfar den chlár in 2013 agus déantar margaíocht air i ngach óstán, teach aíochta, bialann s.rl.

Choimisiúnaigh an Chomhairle seó mór de cheol traidisiúnta na hÉireann freisin ar a tugadh Pulses of Tradition agus ar éirigh thar cionn leis le linn an chéad seisiún dá chuid i gCorcaigh ag bogadh go tapa le bheith sa séú háit den deich gcinn d'áiteanna mealltacha i gCorcaigh arna vótáil ag Trip Advisor. Díoladh amach an léiriú a tugadh Oíche Lá le Pádraig anuraidh laistigh de dhá lá agus rinneadh sruthú beo air go San Francisco mar chuid dá gceiliúradh ar Lá Fhéile Pádraig.

Tionscadal um Chathair Inléite

Tá obair ar bun chun Straitéis um Chathair Inléite a fhorbairt do Chorcaigh. Chuir FWDesign cleachtadh scóipe i gcrích agus deanfar coimisiúnú ar Straitéis Forfheidhmiúcháin. Tá an togra deartha go príomha ionas go n-aireoidh cuairteoirí go mbeidh fáilte rompu agus go mbeidh siad ar a gcompord agus iad ag dul timpeall na cathrach trí chomharthaíocht a sholáthar, painéil ar a bhfuil faisnéis phoiblí, ar bhothanna faisnéise sráide agus léarscáileanna siúil clóite a bhfuil córas comhsheasmhach teanga amhairc, ordlathas ainmniúcháin agus léarscáilithe acu. Áireofar plaiceanna oidhreachta agus tionscadail ealaíon sa scéim freisin. Tá sé i gceist a chinntiú go bhfaighidh daoine nach bhfuil aon chur amach acu ar an gcathair eolas go leanúnach agus go gcuirfear ar an eolas go maith iad le linn a gcuid ama sa chathair.

Páirc Charbhán agus Mótar - thithe a Sholáthar

Tagann lear mór úsáideoirí mótar-thithe agus carbhán ón mór-roinn agus ón Ríocht Aontaithe go hÉirinn trí Chorcaigh nó Ros Láir. Mar gheall nach bhfuil na háiseanna ann níltear ábalta go leor den slua sin atá ag dul faoi bhráid a mhealladh chun triail a bhaint as tarraingtí na cathrach.

Rinneadh dul chun cinn mór in 2012 mar ullmhúchán chun Páirc Mhótar-thithe, Charbhán agus Champála a bhunú mar chuid de thograí Fhorbairt Pháirc Ghleann na Trá Móire. Táthar ag cur bailchríche faoi láthair ar an Staidéar Féidearthachta le haghaidh na Páirce agus tá láithreán oiriúnach cóngarach don Pháirc aitheanta cheana féin. Táthar ag cur bailchríche ar thograí forbartha agus lorgófar maoiniú deontais don togra seo freisin.

Nascacht & Cumarsáid a Fhorbairt

Tá sé ar chumas an Aonaid iniúchadh agus forbairt a dhéanamh ar na roghanna chun an teicneolaíocht is déanaí atá ar fáil a bharrfheabhsú chun Cathair Chorcaí a chur chun cinn mar cheann scríbe turasóireachta.

Rinne an tAonad iniúchadh ar an luach atá leis na hardáin go léir atá ar fáil agus rinneadh moltaí maidir le clár chun mairís margaíochta níos fearr a sholáthar. Áireofar leis sin, inter alia, tograí maidir le: Suíomh Gréasáin Turasóireachta, www.cork.ie ina mbeidh Féilire Imeachtaí idirghníomhach le cumas físe, saoraidí áirithinte agus sruthú beo ar imeachtaí, taispeántais s.rl. Beidh an suíomh gréasáin go hiomlán beo faoin 1ú Bealtaine 2013. Tá neart eolais ar Cork.ie agus é mar ardán iontach chun brandaí a chur i bhfeidhm. Mar sin féin, ní mór inneachar an ghréasáin féin a choinneáil suas chun dáta i gcónaí, .i. faisnéis bheo an rud is tábhachtaí. Tá acmhainn thiomnaithe i gcomhair nuashonraithe, clárúcháin agus tairiscintí speisialta ar an ngréasán slánaithe ag an Aonad TEAM.

Water Services

Water Innovation Centre:

2012 saw the continuing development of the new Water Systems and Services Innovation Centre in the Cork Institute of Technology. It is proposed that the Centre will be a partnership between the College, Cork County Council and Cork City Council to maximise job creation in the water sector in the region through engagement, innovation, research and commercialisation. It aims to create a centre that provides an Innovation Gateway for companies to support exports and jobs.

Capital Projects:

During 2012 the City Council also advanced several important capital projects relating to water supply in the City as follows:

- Consulting engineers appointed to prepare the necessary Part 8 planning application for a new design-build-operate Water Treatment Works at Lee Road. This plant which it is anticipated will commence construction in 2013 will have an ultimate production level of 80 megalitres per day.
- The year also saw the preparation of designs for water conservation works in both northern and north-eastern district meter areas of the City. Tenders were sought for both an extensive ground investigation and pipe sampling contract in late 2012 and the contract will be awarded at the start of 2013.
- A Preliminary Report for the Docklands area was prepared to identify future potable water requirements in both the North and South Docklands areas and the recommendation of the Report have now been accepted by the Council.
- Council appointed a consulting engineering firm for the replacement of rising mains between Lee Road Waterworks and Shanakiel Reservoirs. It is envisaged that the consultant will assist Council in progressing the project to construction in 2013. The existing rising mains are of great strategic importance to the City's water network, as they convey approximately 60% of the water consumed each day in the City. A Preliminary Report for the project has been completed and the design route for the new rising mains has been approved.
- Council also appointed a firm of consulting engineers to undertake the preparation of a Preliminary Report and thereby advise on a route to construct a strategic watermain link between Chetwynd Reservoir site south of the City and the present Lee Road Water Treatment Works. Geotechnical site investigation work was completed in 2012 and the scheme will move into detailed design and contract document preparation in 2013. This strategic watermain will connect the City's water supply network to the Cork Harbour and City Water Supply Scheme at Inniscarra. The provision of such a connection will provide enhanced security of supply to the City's consumers in the event of any supply interruptions.

Seirbhísí Uisce

Lárionad Nuálaíochta Uisce:

Leanadh ar aghaidh in 2012 ag forbairt Lárionad Nuálaíochta na gCóras agus na Seirbhísí Uisce nua in Institiúid Teicneolaíochta Chorcaí. Tá sé i gceist go mbeadh an Lárionad mar chomhpháirtíocht idir an Coláiste, Comhairle Contae Chorcaí agus Comhairle Cathrach Chorcaí d'fhonn cruthú fostaíochta a uasmhéadú in earnáil an uisce sa réigiún trí rannpháirtíocht, nuálaíocht, taighde agus tráchtálú. Tá sé mar aidhm leis Lárionad a chruthú ina soláthraítear Geata Nuálaíochta do chuideachtaí chun tacú le honnmhairí agus le poist.

Tionscadail Chaipitil:

Chuir an Chomhairle Cathrach roinnt tionscadal caipitil tábhachtach a bhain le soláthar uisce sa Chathair chun cinn freisin le linn 2012. Ba iad sin:

- Cheap an Chomhairle comhlacht innealtóireachta comhairlí chun príomhlínte uisce a bhí ag ardú a athsholáthar idir Oibreacha Uisce Bhóthar na Laoi agus Taiscumair na Seanchille. Samhlaítear go gcuideoidh an sainchomhairleoir leis an gComhairle an tionscadal a bhrú chun cinn go dtí céim na tógála in 2013. Tá tábhacht mhór straitéiseach leis na príomhlínte uisce ardaithe atá cheana féin ann do líonra uisce na Cathrach, toisc gurb iontu atá thart ar 60% den uisce a ídítear sa Chathair gach lá. Cuireadh Réamhthuarascáil i gcrích don tionscadal agus tá an bealach deartha do na príomhlínte uisce ardaithe nua ceadaithe.
- Cheap an Chomhairle comhlacht innealtóirí comhairleacha freisin chun tabhairt faoi ullmhú Réamhthuarascála agus tugann siad comhairle dá réir sin ar bhealach chun nasc príomhlíonra uisce straitéiseach a thógáil idir láithreán Thaiscumair Chetwynd ó dheas ón gCathair agus Oibreacha Cóireála Uisce Bhóthar na Laoi atá ar siúl faoi láthair. Cuireadh obair imscrúdaithe geoiteicniúil i gcrích ar an láithreán in 2012 agus beidh dearadh mionsonraithe na scéime ar bun in 2013 chomh maith le doiciméad conartha a ullmhú in 2013. Nascfaidh an príomhlíonra uisce straitéiseach sin líonra soláthair uisce na Cathrach le Scéim

Soláthair Uisce Chuan agus Chathair Chorcaí ag Inis Cara. Cuirfear slándáil soláthair fheabhsaithe ar fáil do thomhaltóirí na Cathrach le nasc den sórt sin i gcás go mbíonn aon bhriseadh sa soláthar.

- Ceapadh innealtóirí comhairleacha chun an t-iaratas pleanála riachtanach Cuid 8 a ullmhú le haghaidh Oibreacha Cóireála Uisce dearadh-tógáil-oibriú nua ag Bóthar na Laoi. Beidh leibhéal táirgeachta 80 meigilítear in aghaidh an lae ag an ngléasra seo a measfar go dtosófar á thógáil in 2013.
- Ullmhaíodh dearaí le haghaidh oibreacha caomhnaithe uisce freisin sa bhliain i limistéir méadair an cheantair thuaidh agus thoir thuaidh den Chathair. Lorgaíodh tairiscintí le haghaidh conradh forleathan iniúchadh talún agus sampláil píopaí ag deireadh 2012 agus bronnfar an conradh ag tús 2013.
- Ullmhaíodh Réamhthuarascáil do cheantar na nDuganna d'fhonn riachtanais uisce inólta a aithint sa todhchaí i limistéir ó Thuaidh agus Theas na nDuganna agus tá moladh na Tuarascála glactha ag an gComhairle anois.

A Local Area Plan for Mahon is virtually complete and will go to Council early in the New Year. A number of Variations to the City Plan were made in 2012, including two which support expansion of employment in the Hollyhill and Model Farm Road industrial/enterprise parks.

In relation to Heritage, 2012 saw the implementation of a series of projects to promote the heritage of the city, including a programme of activities for Heritage Week, a very well attended Heritage Open Day, the Schools Heritage Project, an archaeological monograph of the South Main Street and a grant scheme for heritage organisations.
